ANGELO
CERAMICA

Michelangelo Buonarroti is one of the greatest and most important artists in the history of world art. He was an Italian sculptor, painter, architect and poet. Angelo is an Iranian/Italian ceramic brand and actually tries to create a bridge between these two Iranian and Italian cultures. Our designs are inspired by natural surfaces and textures, classic and contemporary art, cultural symbols and the latest trends. Our goal is to increase market standards by producing new, high-quality and elegant ceramics so that the living environment can be functional and beautiful.

ANGELO
CERAMICA

Michelangelo Buonarroti was a great artist and sculptor who famously said "i saw the angel in the marble and carved until I set him free."
We are an Italian/Iranian brand that tries to make a bridge between the two cultures. The tastes of art, from the east and west by gathering their best architects, interior designers and tile experts.
Our designs are inspired by natural surfaces and textures, classic and contemporary arts, cultural symbols and latest trends. Our mission is to increase the standards of the market by producing innovative, high quality and elegant ceramic tiles to please our customers and make living spasces practical and elegant.

Michelangelo Buonarroti era un grande srtista e scultore che pronuncio' una celebrefrase "ho visto un angelo nel blocco di marmo e l'ho scolpiuto fino a quando non e' stato libero".
Angelo Ceramica nasce da una collaborazione italiano iraniana nel tentativo di costruire un ponte tra le due culture, cercando di cogliere il gusto dell'arte dall'est all'ovest radunando le migliori architetture, i migliori interior designers e le migliori esperienze ceramiche.
I nostri design sono ispirati da superfici naturali, arti classiche e contemporane, dalle rispettive tradizioni culturali e dagli ultimi trend del mercato.
La nostra missione é elevare gli standard qualitativi del mercato, producendo in modo innovativo, con attenzione alla eleganza ceramica nel rispetto della migliore qualità possibile, in modo da soddisfare i nostri clienti per creare ambienti pratici ed eleganti.

80 x 160 COLLECTION

Ceramic tiles sized 80×160 cm are considered slab ceramics that have become very popular in recent years due to their modern and luxurious appearance. Thanks to their large dimensions, they create fewer grout lines, giving spaces a cleaner and more seamless look. They are commonly used in spacious areas such as living rooms, lobbies, and interior feature walls.

Le piastrelle in ceramica di dimensioni 80×160 cm sono considerate lastre di grande formato, molto popolari negli ultimi anni per il loro aspetto moderno e lussuoso. Grazie alle loro ampie dimensioni, creano meno fughe, conferendo agli ambienti un aspetto più pulito e uniforme. Sono comunemente utilizzate in spazi ampi come soggiorni, hall e pareti interne decorative.

CEMENTO GOFFRATO

80 X 160 CM

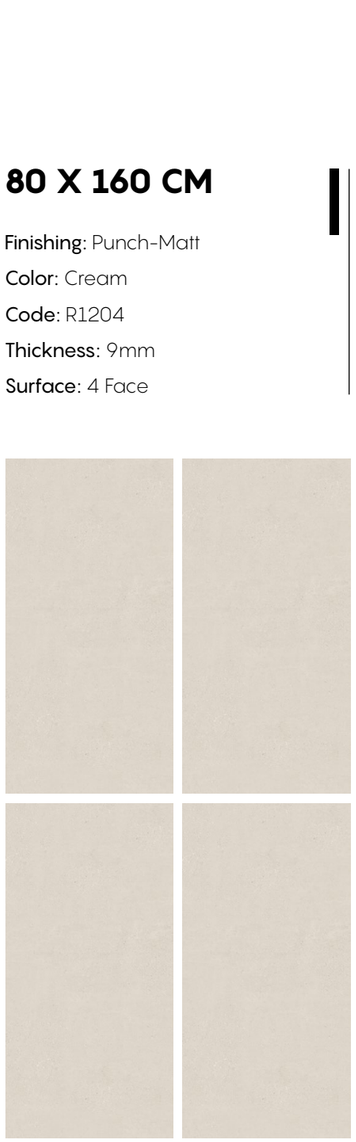

Finishing: Punch-Matt

Color: Cream

Code: R1204

Thickness: 9mm

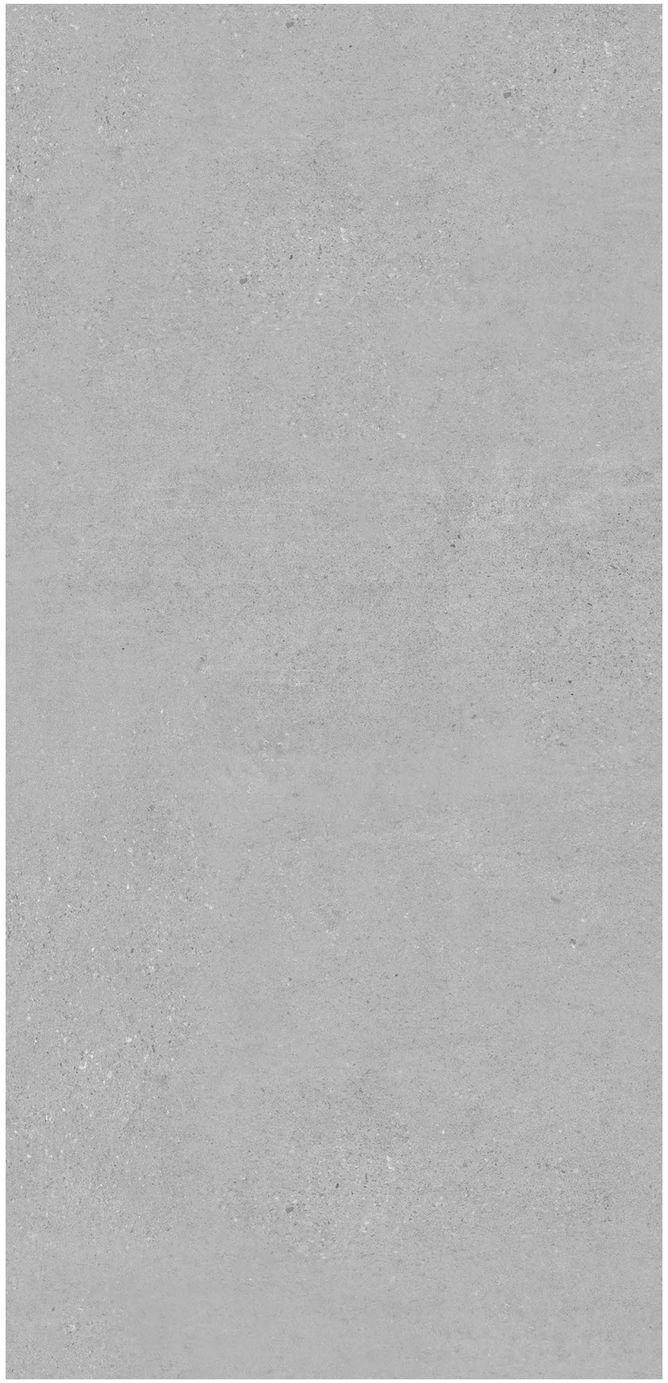

Surface: 4 Face

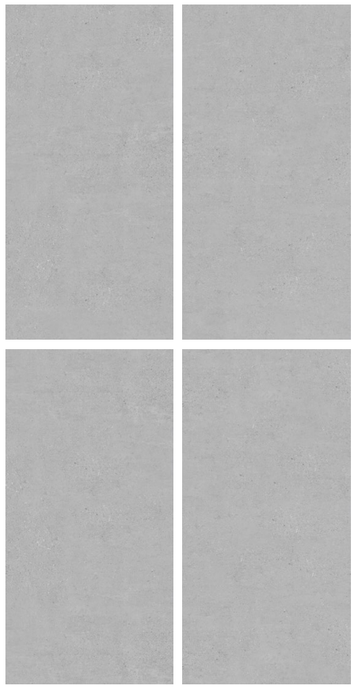

Warm, soft, and effortlessly elegant, the Cream Cement slab brings a refined sense of calm to the interior. Its subtle cement-inspired texture and creamy tone create a seamless, sophisticated surface, perfect for modern, minimalist, and timeless spaces.

CEMENTO GOFFRATO

80 X 160 CM

Finishing: Punch-Matt
Color: Grey
Code: R1203
Thickness: 9mm
Surface: 4 Face

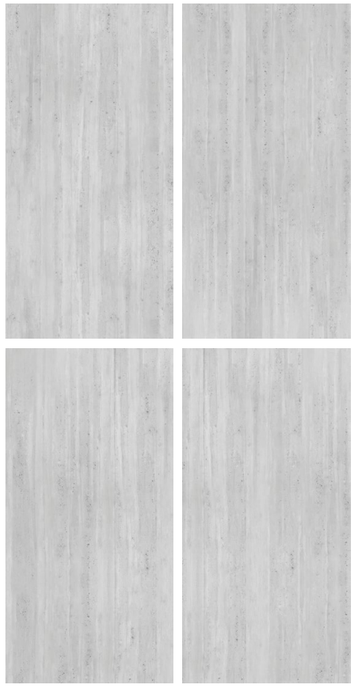

A grey cement-inspired ceramic that reflects the raw beauty of concrete with a modern minimalist touch

CASSERO

80 X 160 CM

Finishing: Punch-Matt
Color: Grey
Code: R1206
Thickness: 9mm
Surface: 4 Face

Refined, versatile, and effortlessly contemporary, Cassero ceramic brings a sense of character and sophistication to every interior. Its subtle surface variation and soft tonal movement create depth and visual interest, making it an elegant choice for modern and minimalist spaces.

VOLCAMONICA

80 X 160 CM

Finishing: Punch-Matt

Color: Grey

Code: R1202

Thickness: 9mm

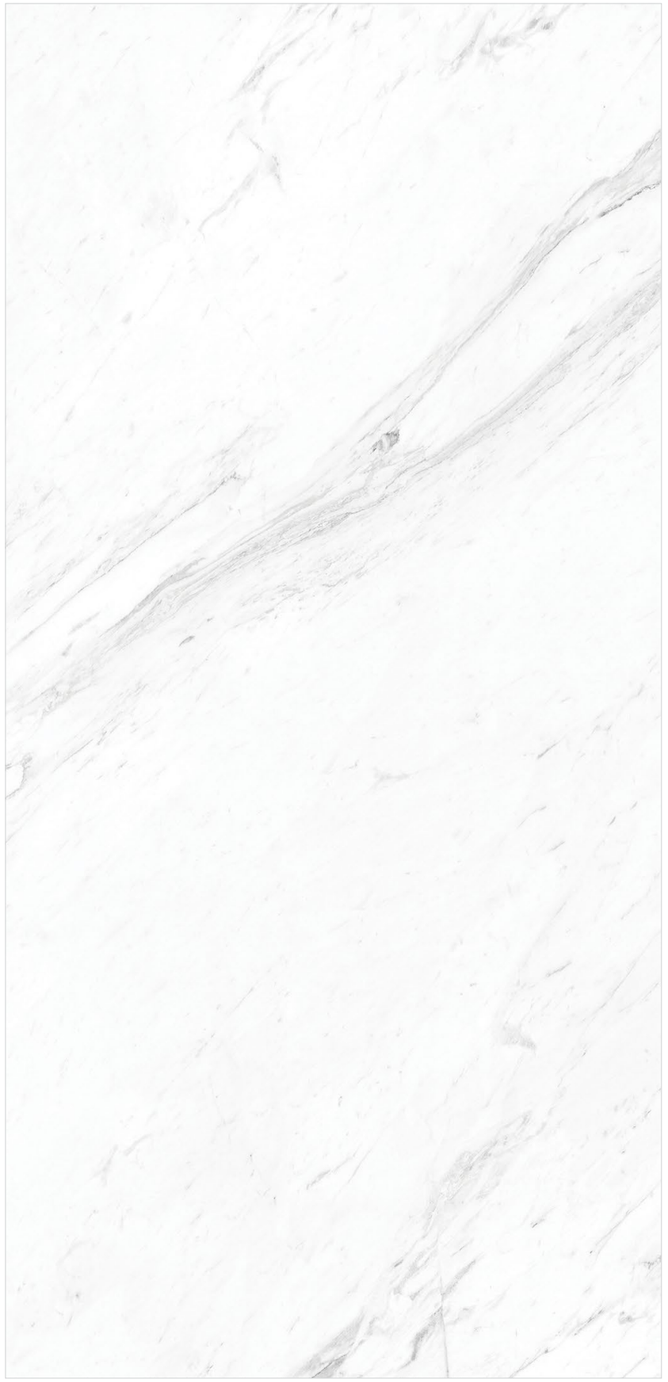

Surface: 4 Face

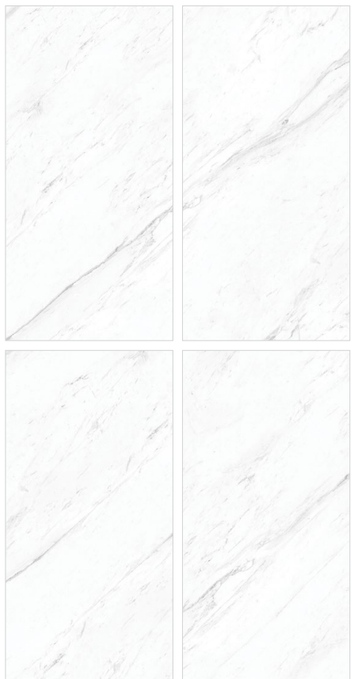

A stone-inspired matte tile, offering a subtle, natural texture with understated elegance.

VOLAKAS

80 X 160 CM

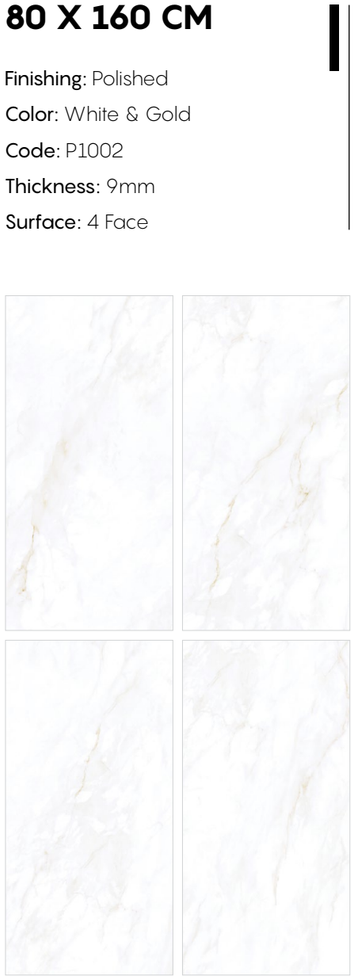

Finishing: Matt
Color: White & Grey
Code: M1103
Thickness: 9mm
Surface: 4 Face

Volakas ceramic is inspired by natural Greek marble and features a bright white background with soft gray veins, giving spaces a luxurious and calming look. It's an ideal choice for floors and walls in modern, minimalist areas such as living rooms, bathrooms, and lobbies.

RAFFAELLO

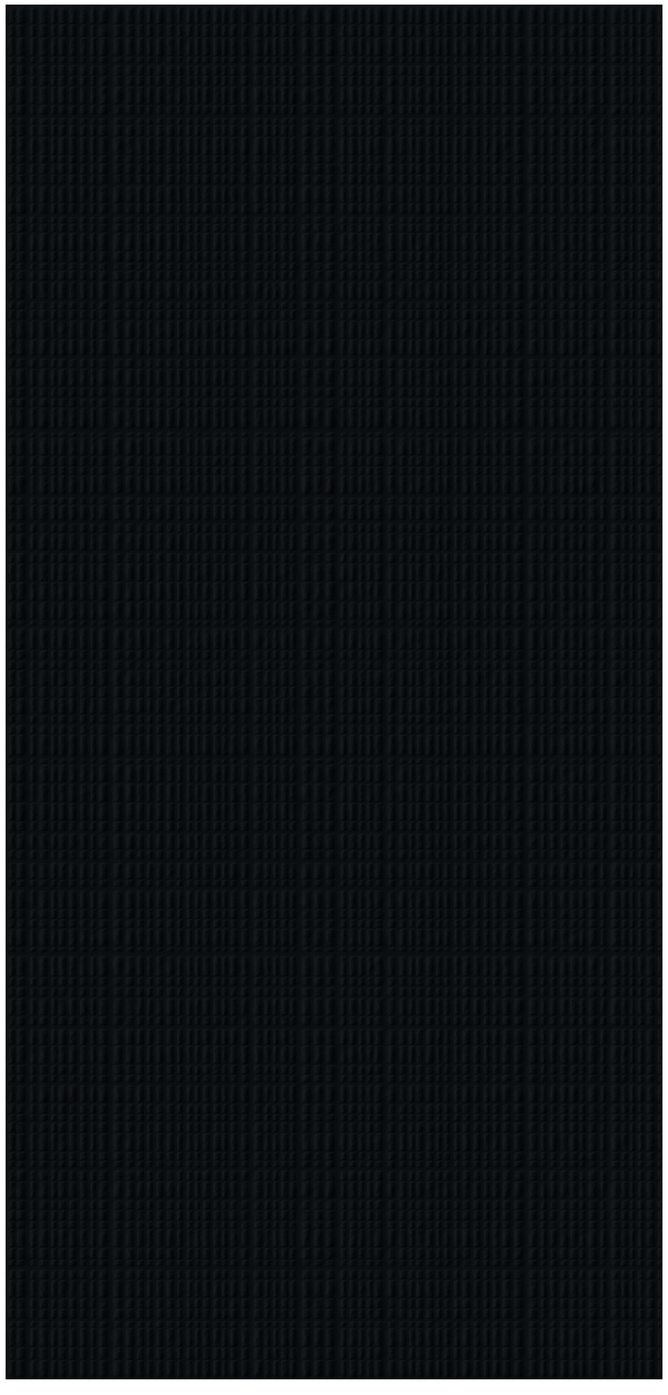

80 X 160 CM

Finishing: Polished
Color: White & Gold
Code: P1002
Thickness: 9mm
Surface: 4 Face

Raffaello ceramic features a white background with elegant brown and gray veins, offering a stylish and classic appearance. Inspired by natural marble, it's a perfect choice for luxurious spaces such as living rooms, lobbies, and bathrooms.

GEMMA

80 X 160 CM

Finishing: Punch-Matt
Color: Black
Code: R1201
Thickness: 9mm
Surface: 1 Face

Gemma ceramic features a black color with a textured, embossed surface, creating a modern and three-dimensional effect. This ceramic is ideal for adding depth and texture to walls or floors in luxurious and contemporary spaces.

120 x 120 COLLECTION

The 120×120 cm porcelain tile offers a refined, seamless look with fewer grout lines, enhancing the sense of space and visual continuity. Ideal for residential, commercial, hospitality, and luxury projects, it can be used for both floors and walls. Its large format combines contemporary aesthetics, durability, and functionality, making it a versatile choice for modern architecture and construction.

La piastrella in gres porcellanato da 120×120 cm offre un aspetto raffinato e uniforme, caratterizzato da un minor numero di fughe, che esalta il senso di spaziosità e la continuità visiva. Ideale per progetti residenziali, commerciali, nel settore dell'ospitalità e del lusso, è adatta sia per pavimenti che per rivestimenti. Il suo grande formato coniuga estetica contemporanea, resistenza e funzionalità, rendendola una scelta versatile per l'architettura e l'edilizia moderne.

MARMARA

120 X 120 CM

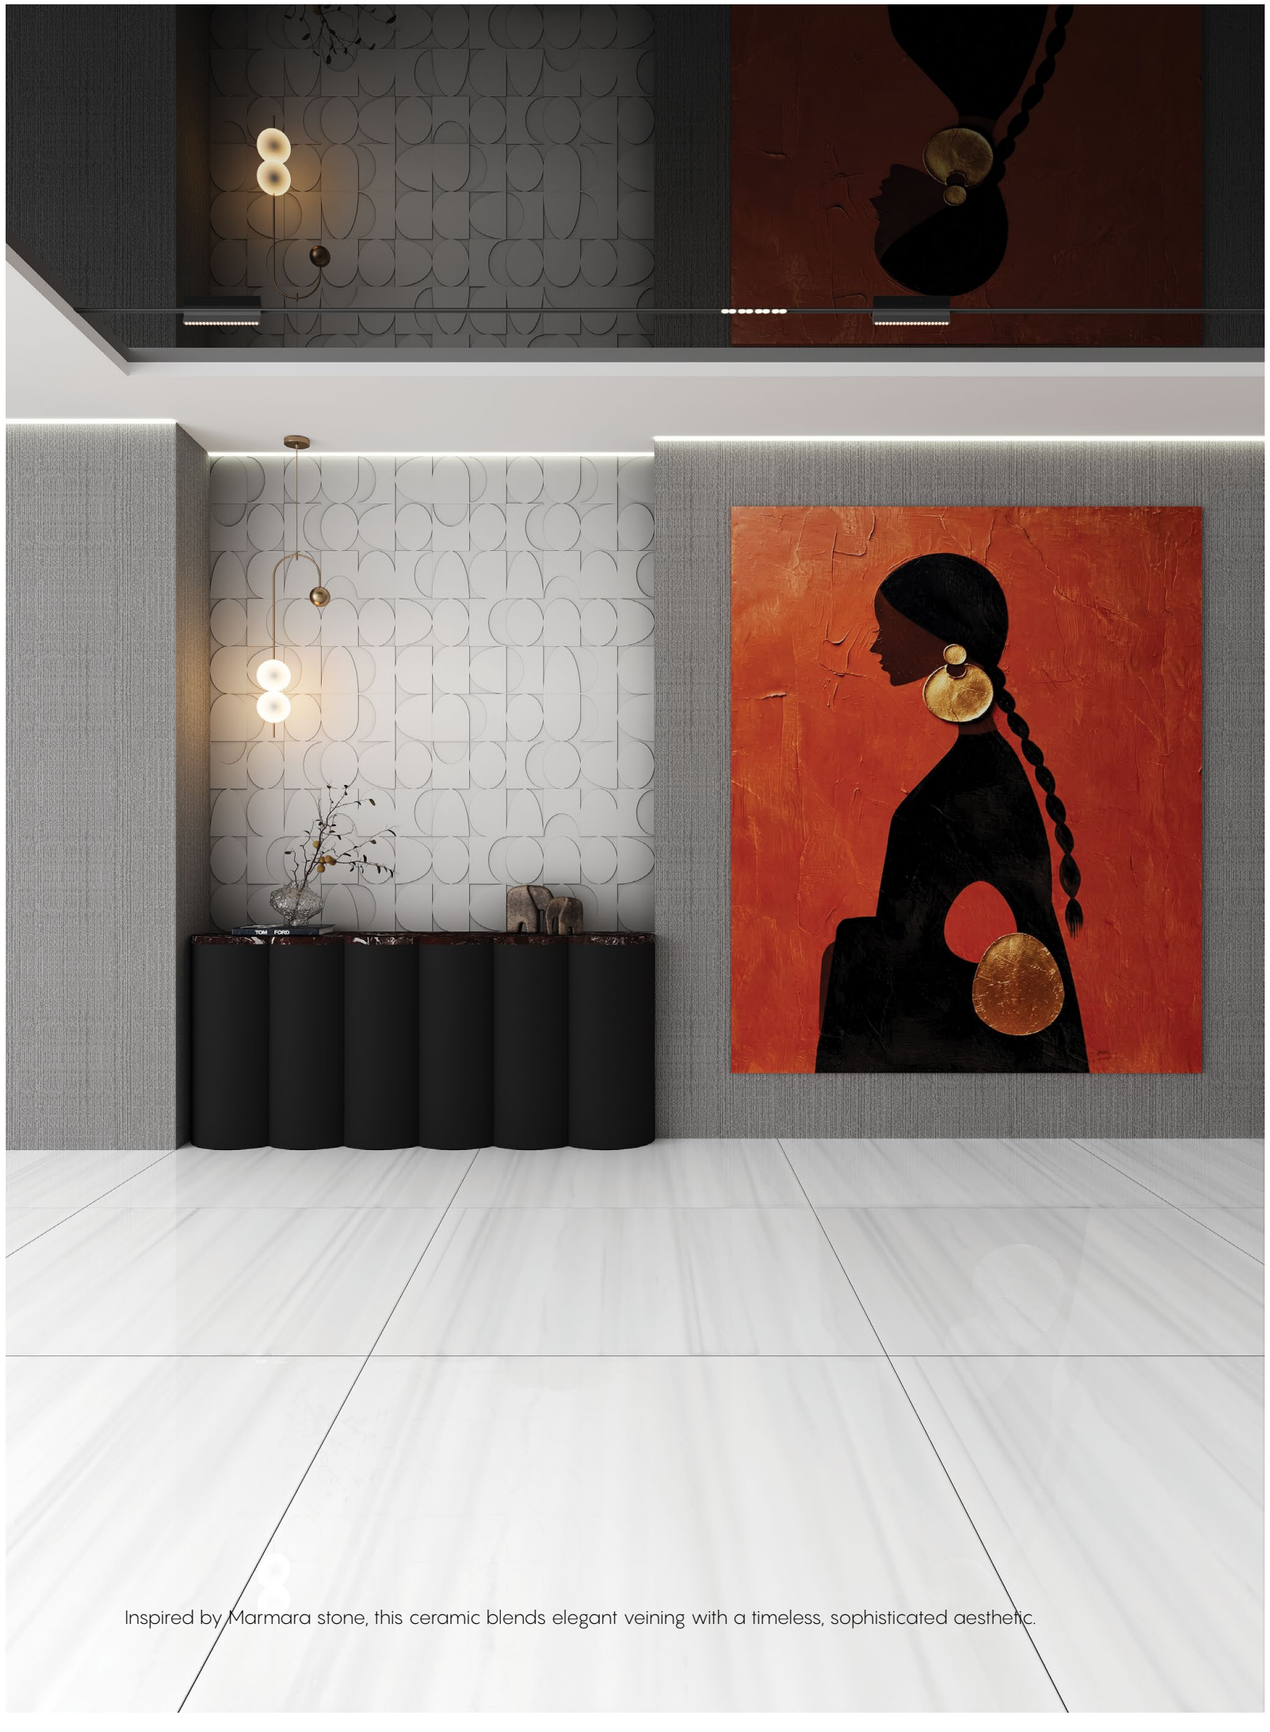

Finishing: Polished

Color: White & Grey

Code: P2201

Thickness: 9mm

Surface: 4 Face

Inspired by Marmara stone, this ceramic blends elegant veining with a timeless, sophisticated aesthetic.

MYSTERY BIANCO

120X 120 CM

Finishing: Polished

Color: White

Code: P2202

Thickness: 9mm

Surface: 4 Face

White polished ceramic, designed to bring a pure, luminous, and effortlessly elegant touch to contemporary spaces.

GRANO

120X 120 CM

Finishing: Matt

Color: Ivory - Cream - Grey

Code: M2101- M2102- M2103

Thickness: 9mm

Surface: 1 Face

Soft, neutral, and timeless, Ivory Grano creates a refined and balanced foundation for any interior. Its subtle cement texture and understated tone add depth and sophistication, making it a versatile choice for contemporary, minimalist, and elegant spaces.

120 x 240 COLLECTION

The 120×240 cm ceramic tile is one of the most popular choices for modern and minimalist designs. Thanks to its large surface, it creates a natural stone-like appearance and makes spaces look larger and brighter. It is commonly used for interior wall coverings and commercial flooring. High durability, moisture resistance, and impressive aesthetics are among the key features of this size.

La piastrella in ceramica da 120×240 cm è una delle scelte più popolari per i design moderni e minimalisti. Grazie alla sua ampia superficie, crea un effetto simile alla pietra naturale e fa apparire gli spazi più grandi e luminosi. È comunemente utilizzata per rivestimenti interni e pavimenti commerciali. L'elevata durata, la resistenza all'umidità e l'estetica raffinata sono tra le caratteristiche principali di questo formato.

WHITE HORSE

120 X 240 CM

Finishing: Matt

Color: Grey

Code: M2050

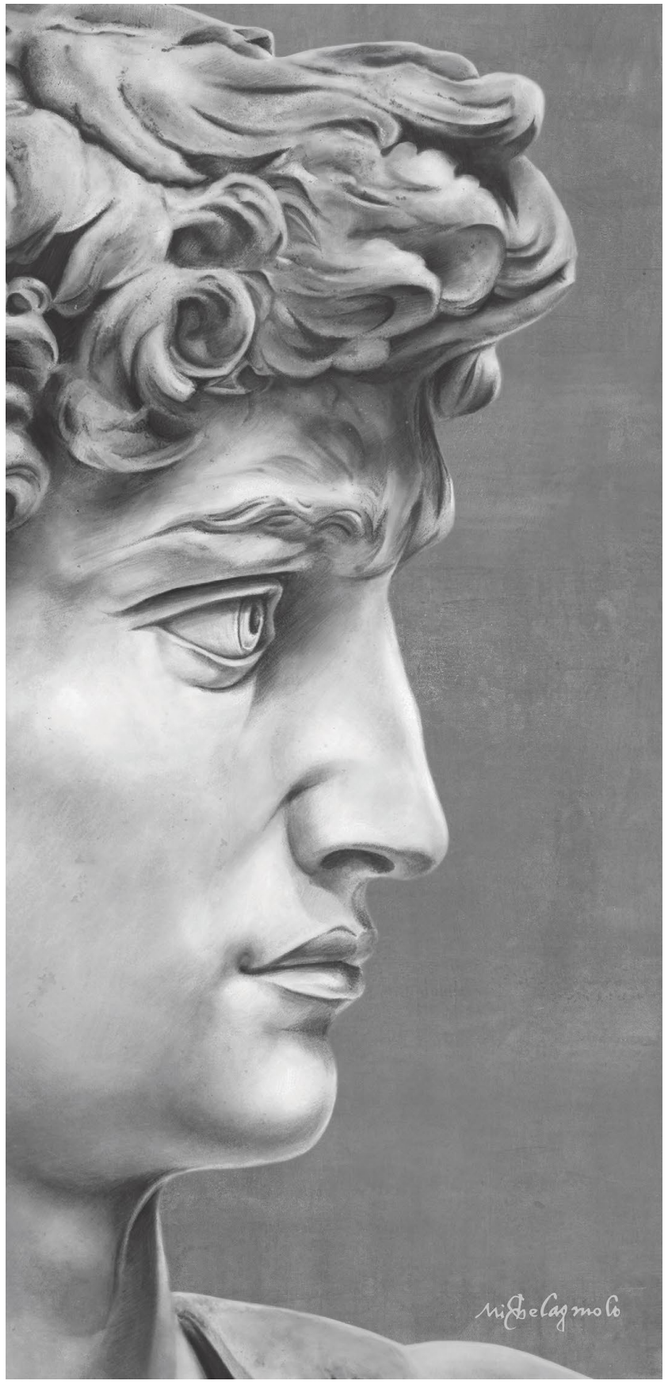

Thickness: 9mm

Surface: 1 Face

A concrete-inspired ceramic that abstractly depicts the image of a horse, made from a palette of concrete gray tones that merge to form a striking contemporary work of art.

DIVINITA

120 X 240 CM

Finishing: Matt

Color: Grey

Code: M2000

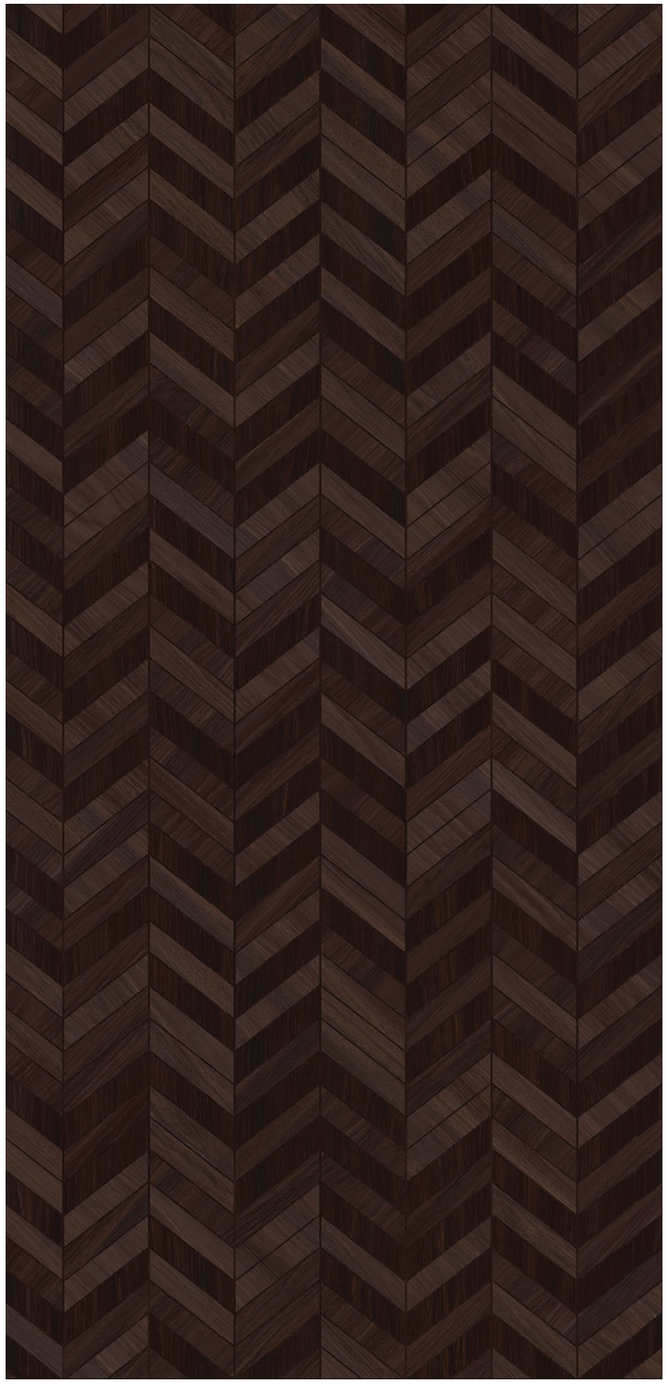

Thickness: 9mm

Surface: 1 Face

A distinctive ceramic with an artistic depiction of Michelangelo's David, combining classical art with contemporary design.

STIMULANTE

120 X 240 CM

Finishing: Matt

Color: Brown

Code: M2051

Thickness: 9mm

Surface: 1 Face

Herringbone wood-look ceramic mimics natural wood and, with its distinctive herringbone pattern, adds a classic and decorative touch to any space. It's ideal for flooring in residential and commercial areas, bringing the warmth and beauty of natural wood.

CALACATTA

120 X 240 CM

Finishing: Polished
Color: White & Grey
Code: P4171
Thickness: 9mm
Surface: 4 Face

Calacatta ceramic features a white background with gray veins, offering a luxurious and classic look. Inspired by natural marble, it's an ideal choice for modern and elegant spaces such as kitchens, bathrooms, and living areas.

120 x 270 COLLECTION

The 120×270 cm ceramic tile is one of the largest and most distinctive sizes among slab ceramics. Due to its great height, it is an ideal choice for covering entire walls and modern spaces with high ceilings. Its seamless and luxurious appearance creates an impressive, natural stone-like look. In addition, its high durability and smooth surface make maintenance and cleaning very easy.

La piastrella in ceramica da 120×270 cm è una delle dimensioni più grandi e particolari tra le lastre in ceramica. Grazie alla sua notevole altezza, è una scelta ideale per rivestire intere pareti e spazi moderni con soffitti alti. Il suo aspetto uniforme e lussuoso crea un effetto simile alla pietra naturale, molto elegante e suggestivo. Inoltre, l'elevata resistenza e la superficie liscia rendono la manutenzione e la pulizia molto semplici.

ETERNO IVORY

120 X 270 CM

Finishing: Matt

Color: Ivory

Code: M7106

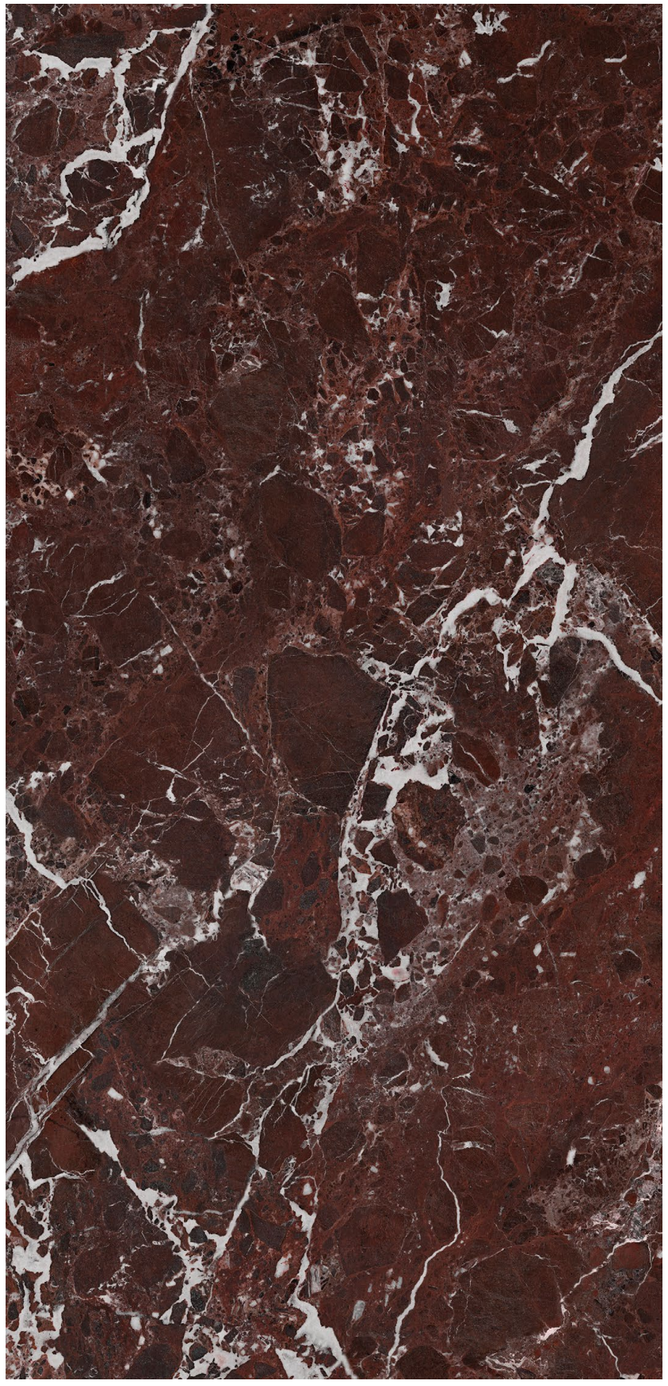

Thickness: 9mm

Surface: 1 Face

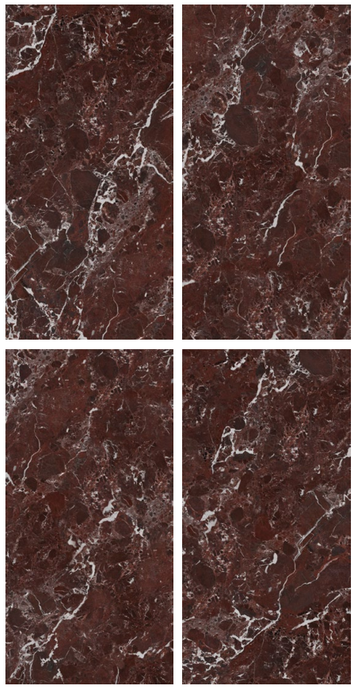

A stylish and durable choice for creating a bright, warm, and inviting space.

ROSSO VENATO

120 X 270 CM

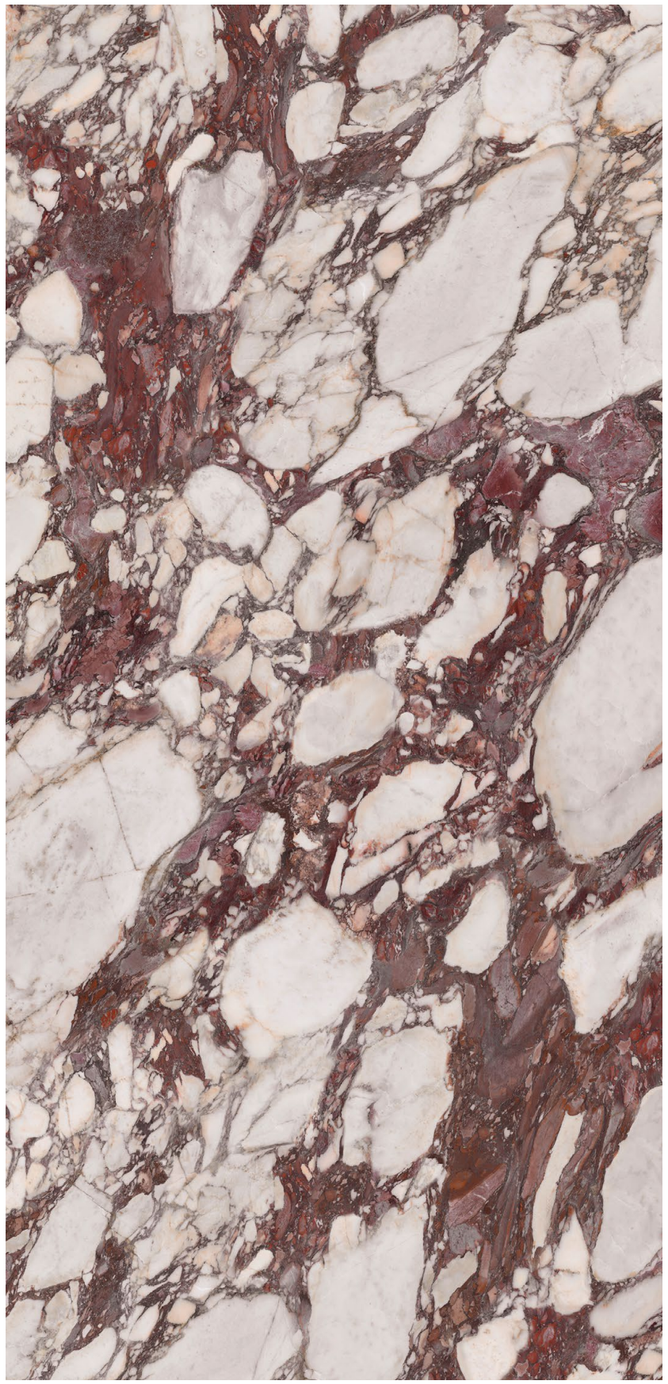

Finishing: Polished
Color: Rosso & White
Code: P7211
Thickness: 9mm
Surface: 4 Face

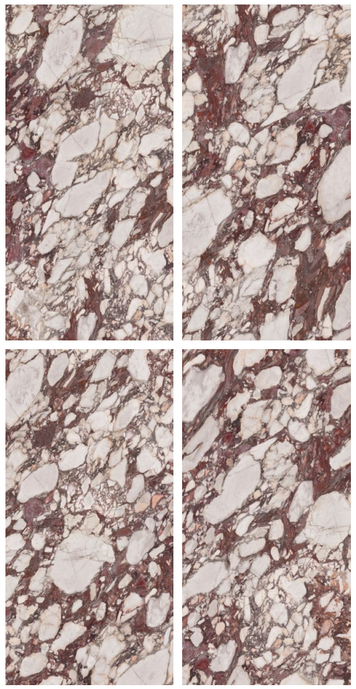

A bold expression of timeless elegance, Rosso Venato captures the dramatic beauty of deep burgundy stone enriched with veining. Its rich, layered surface creates a sense of depth and movement, bringing sophistication and character to contemporary interiors.

VIOLA

120 X 270 CM

Finishing: Polished
Color: Rosso & Cream
Code: P7212
Thickness: 9mm
Surface: 4 Face

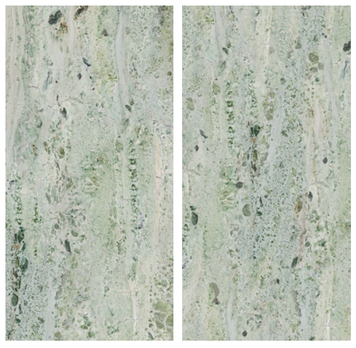

An elegant composition of ivory tones and expressive burgundy veins. Viola combines the delicacy of a light stone with the bold character of deep, organic veining, creating a timeless surface with a distinctive identity.

SARDENIA

120 X 270 CM

Finishing: Polished
Color: Green
Code: P7209
Thickness: 9mm
Surface: 4 Face

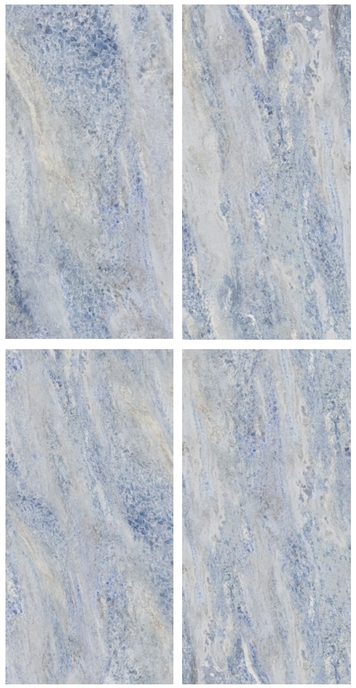

Sardennia captures the essence of natural stone through soft earthy tones and organic veining, bringing understated elegance and a sense of serenity to contemporary spaces.

GEMSTONE

120 X 270 CM

Finishing: Polished
Color: Blue
Code: P7207
Thickness: 9mm
Surface: 4 Face

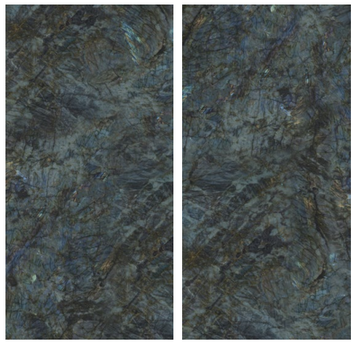

A marble ceramic where shades of blue, white, and grey intertwine, evoking the depth and gentle movement of the sea with refined elegance.

LABRADORITE

120 X 270 CM

Finishing: Polished
Color: -
Code: P7202
Thickness: 9mm
Surface: 4 Face

Textured with earthy shades and deep greens, this ceramic brings elegance and nature together.

BRILLANTE

120 X 270 CM

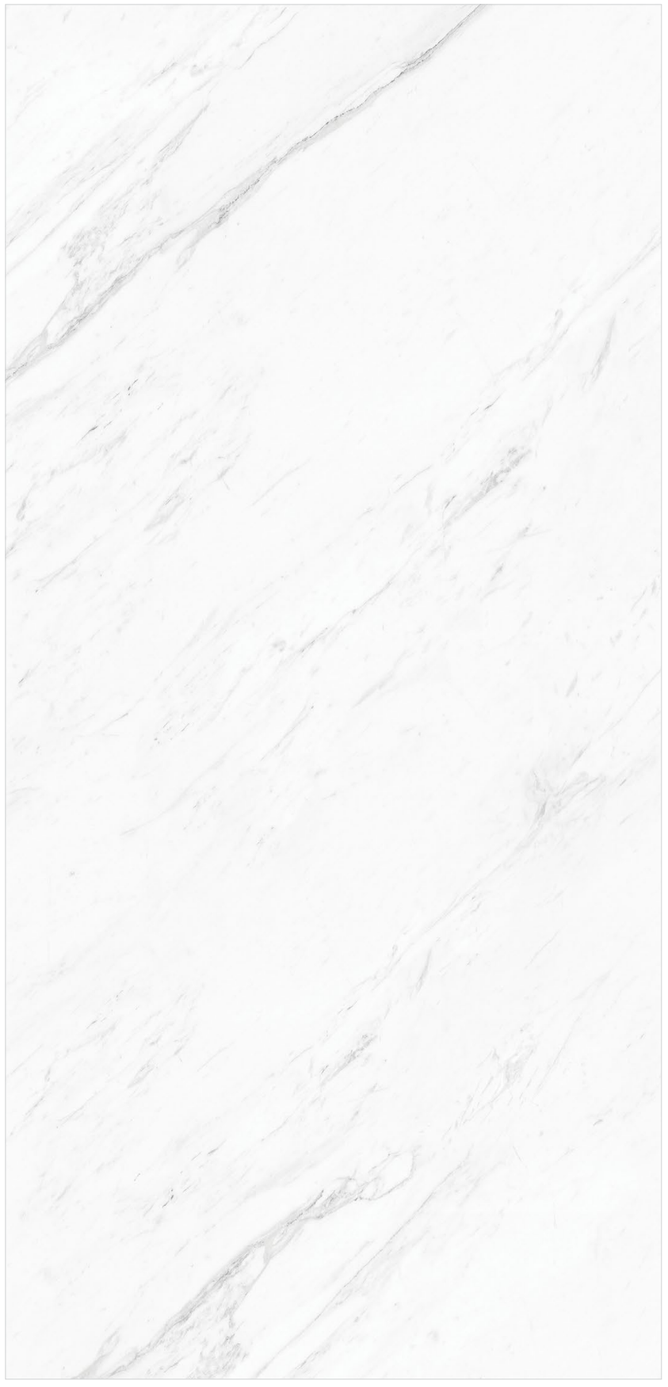

Finishing: Polished
Color: White & Gold
Code: P7210
Thickness: 9mm
Surface: 4 Face

A white marble ceramic veined with grey and gold, where delicate patterns meet luxurious sophistication.

VOLAKAS

120 X 270 CM

Finishing: Polished
Color: White & Grey
Code: P7205
Thickness: 9mm
Surface: 4 Face

Volakas ceramic is inspired by natural marble and features a bright white background with soft gray veins, giving spaces a luxurious and calming look. It's an ideal choice for floors and walls in modern, minimalist areas such as living rooms, bathrooms, and lobbies.

RAFFAELLO

120 X 270 CM

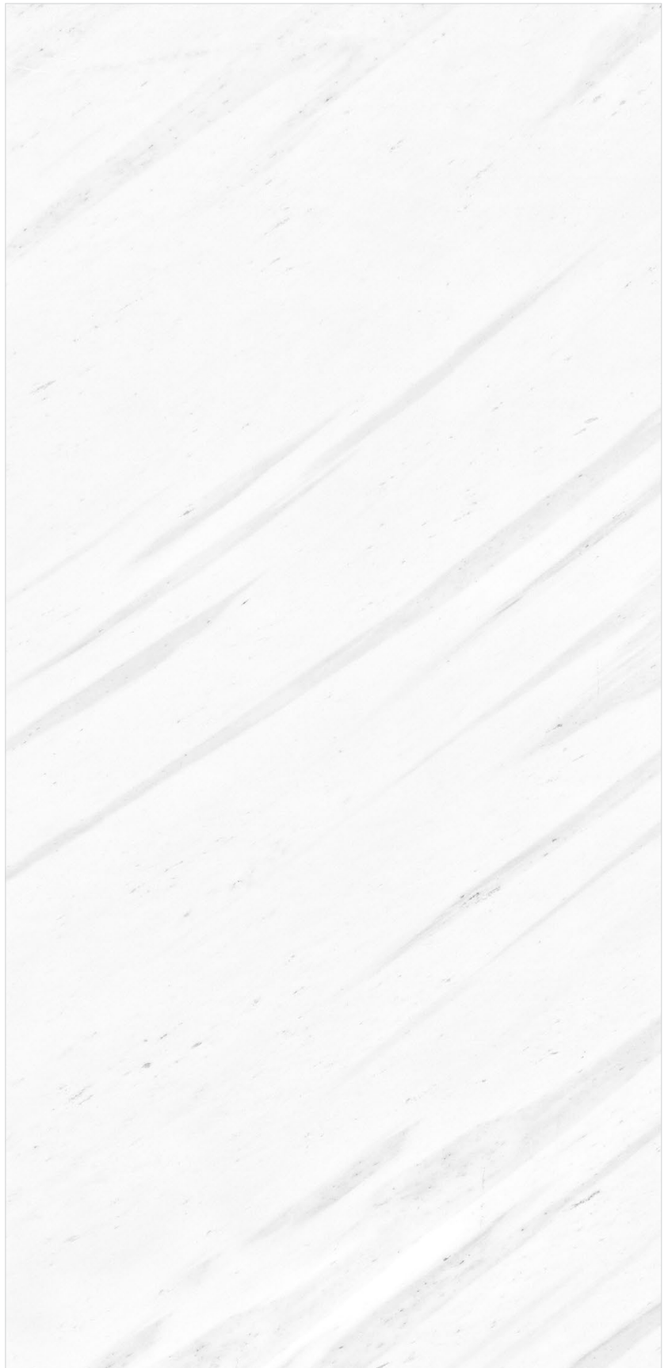

Finishing: Polished
Color: White & Gold
Code: P7204
Thickness: 9mm
Surface: 4 Face

Raffaello ceramic combines a crisp white base with delicate brown and gray veining, creating a refined and timeless aesthetic. Its sophisticated marble-inspired character brings elegance and visual depth to a wide range of interior applications.

LASA

120 X 270 CM

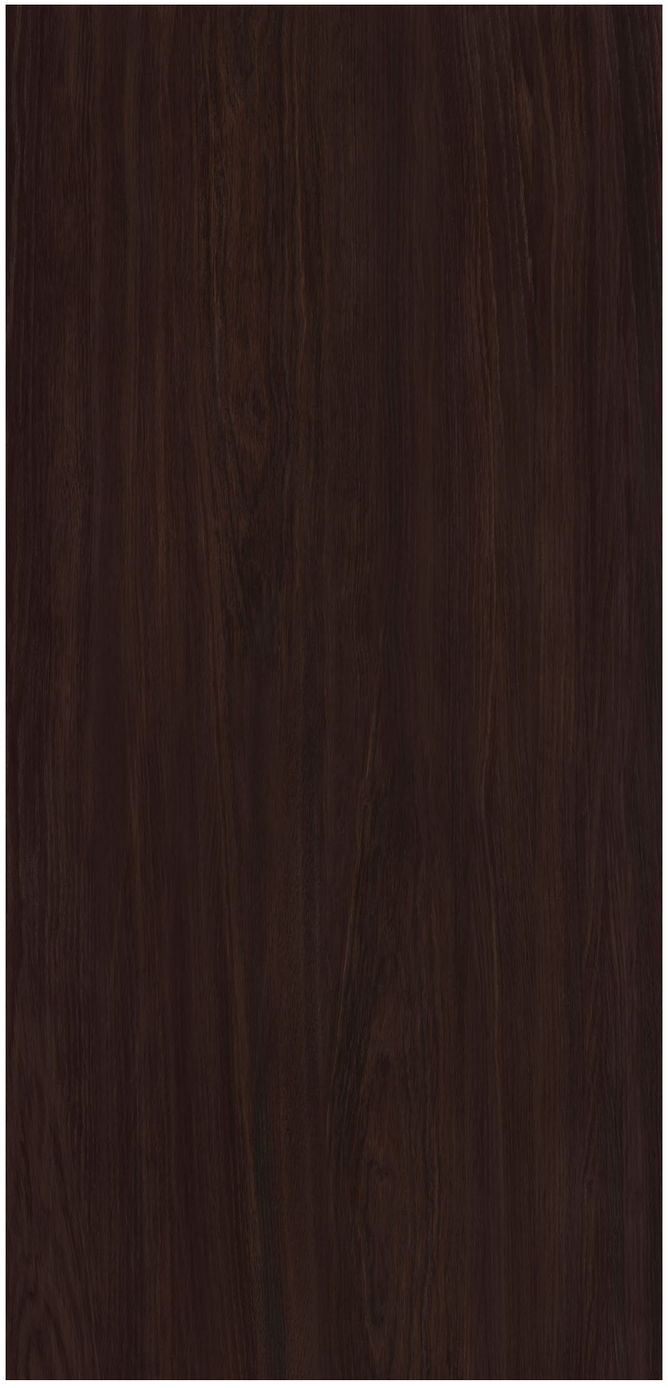

Finishing: Polished - Matt
Color: White & Grey
Code: P7214 - M7121
Thickness: 9mm
Surface: 4 Face

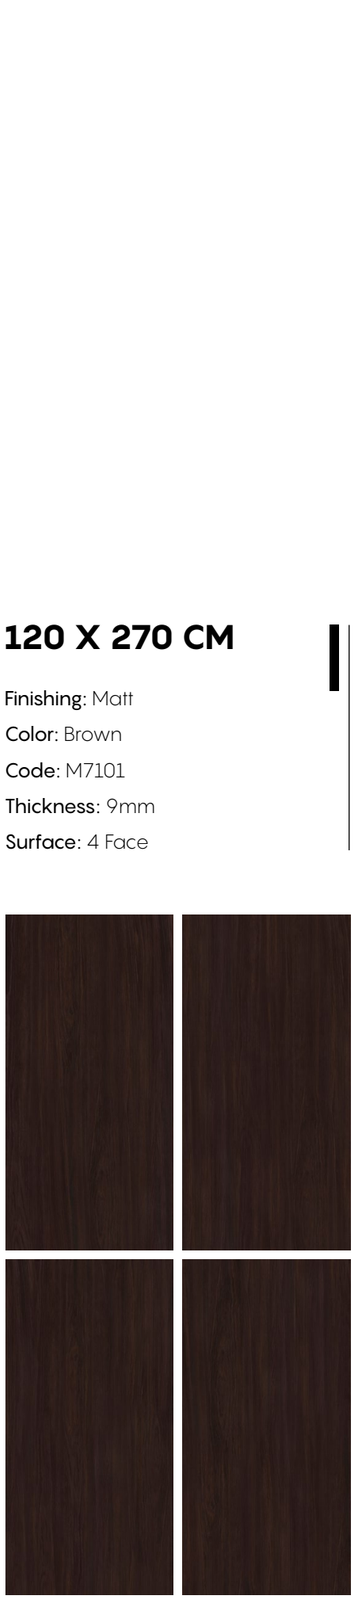

A white marble tile with soft grey veins, offering a serene and sophisticated surface.

EWOOD

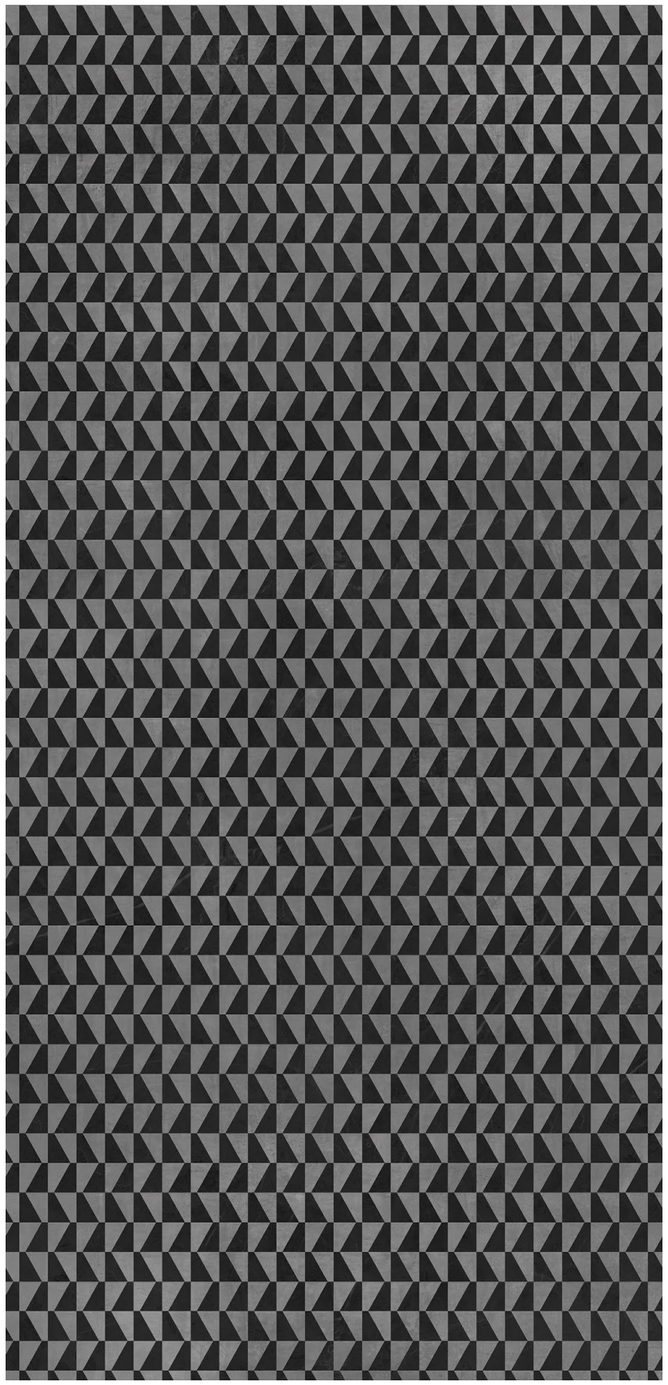

120 X 270 CM

Finishing: Matt
Color: Brown
Code: M7101
Thickness: 9mm
Surface: 4 Face

BIANCO NERO

120 X 270 CM

Finishing: Matt
Color: Black & Grey
Code: M7112
Thickness: 9mm
Surface: 1 Face

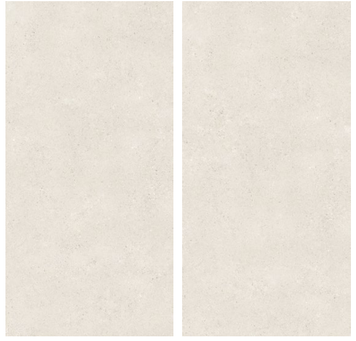

A contemporary ceramic consisting of small light grey and black squares that create a dynamic and stylish design.
A regular pattern of geometry.

VETRANO CREAM

120 X 270 CM

Finishing: Matt
Color: Cream
Code: M7119
Thickness: 9mm
Surface: 4 Face

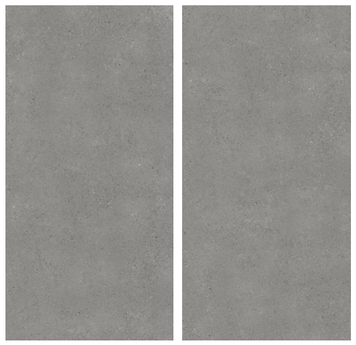

A perfect fusion of the warmth of cream tones and the industrial soul of concrete, offering a surface that blends intimacy with modernity.

VETRANO GREY

120 X 270 CM

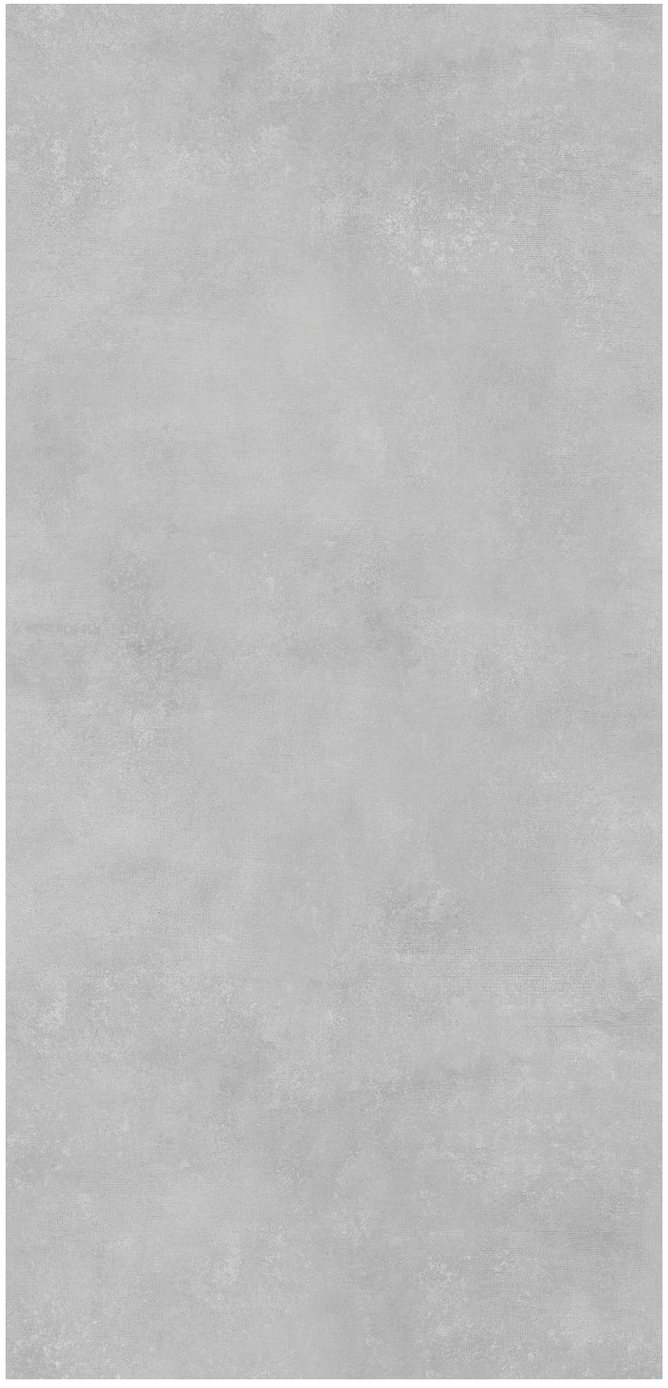

Finishing: Matt
Color: Grey
Code: M7118
Thickness: 9mm
Surface: 4 Face

A minimalist grey slab inspired by concrete, delicately enriched with subtle white grains for a refined and contemporary aesthetic.

LOFT

120 X 270 CM

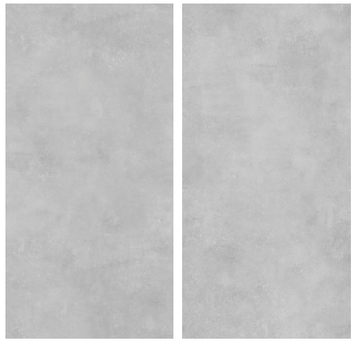

Finishing: Matt

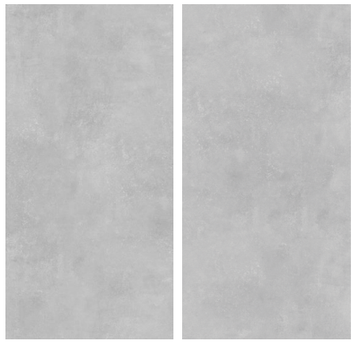

Color: Grey

Code: M7116

Thickness: 9mm

Surface: 4 Face

A concrete-inspired ceramic with soft tonal variations, offering a refined balance of strength and elegance.

BETONITE

120 X 270 CM

Finishing: Matt

Color: Cream-Light Grey-Grey-Dark- Bronze - Mocha

Code: M7113-M7110-M7107-M7111-M7122-M7123

Thickness: 9mm

Surface: 1 Face-4Fcae

A durable concrete-inspired tile, combining strength and timeless elegance for versatile applications.

78 | 120 x 270 cm

A durable concrete-inspired tile, combining strength and timeless elegance for versatile applications.

TERAVERTINO

120 X 270 CM

Finishing: Matt
Color: Cream
Code: M7109
Thickness: 9mm
Surface: 4 Face

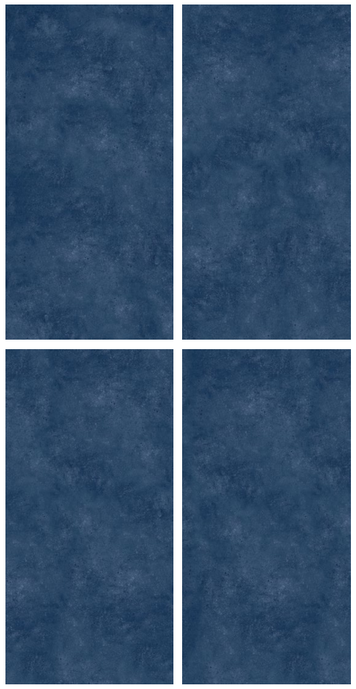

A travertine-inspired cream ceramic, combining natural elegance with a timeless, sophisticated look.

LATINA

120 X 270 CM

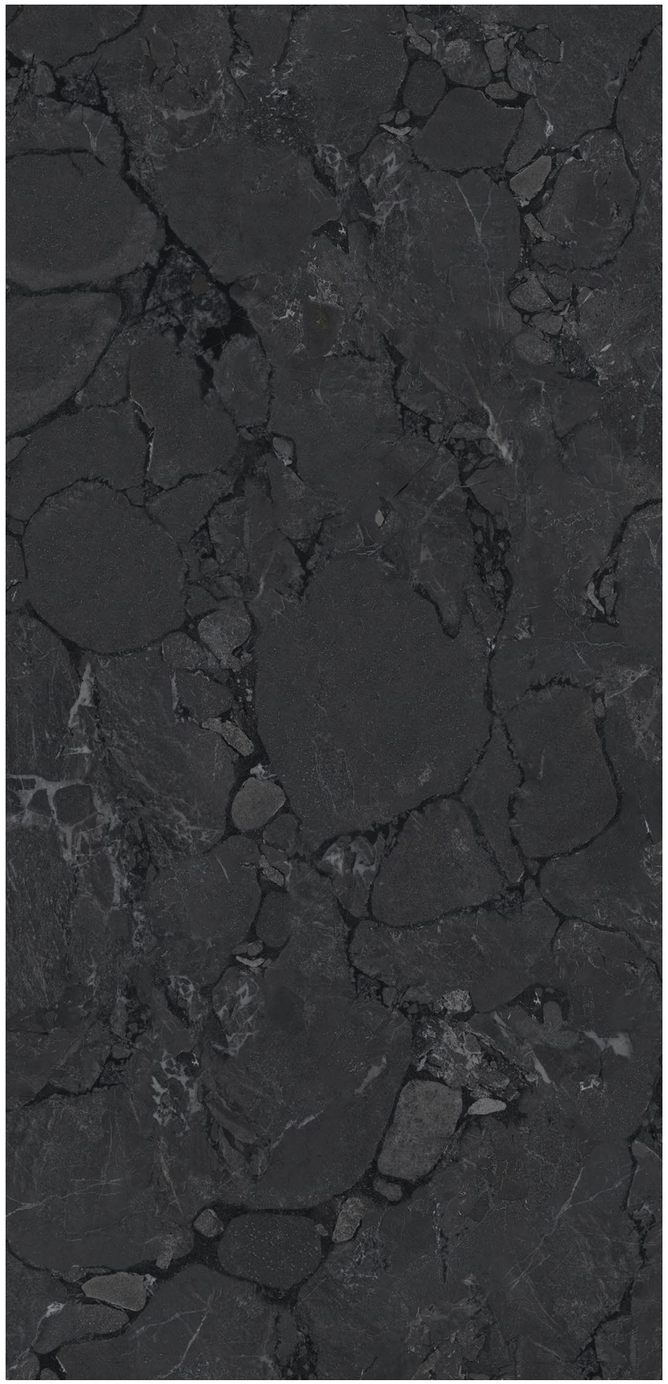

Finishing: Matt
Color: Blue
Code: M7114
Thickness: 9mm
Surface: 4 Face

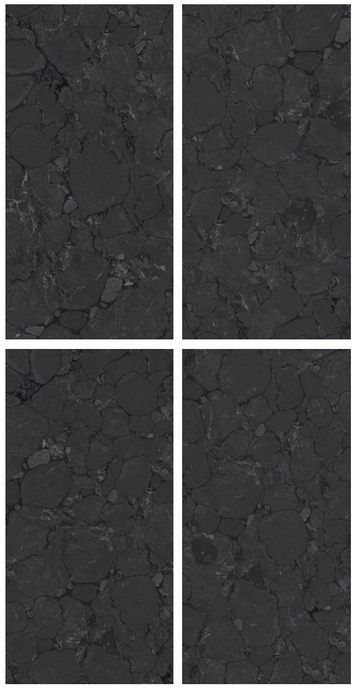

A deep blue concrete-inspired ceramic that adds a bold and contemporary character to any space.

PIETRA

120 X 270 CM

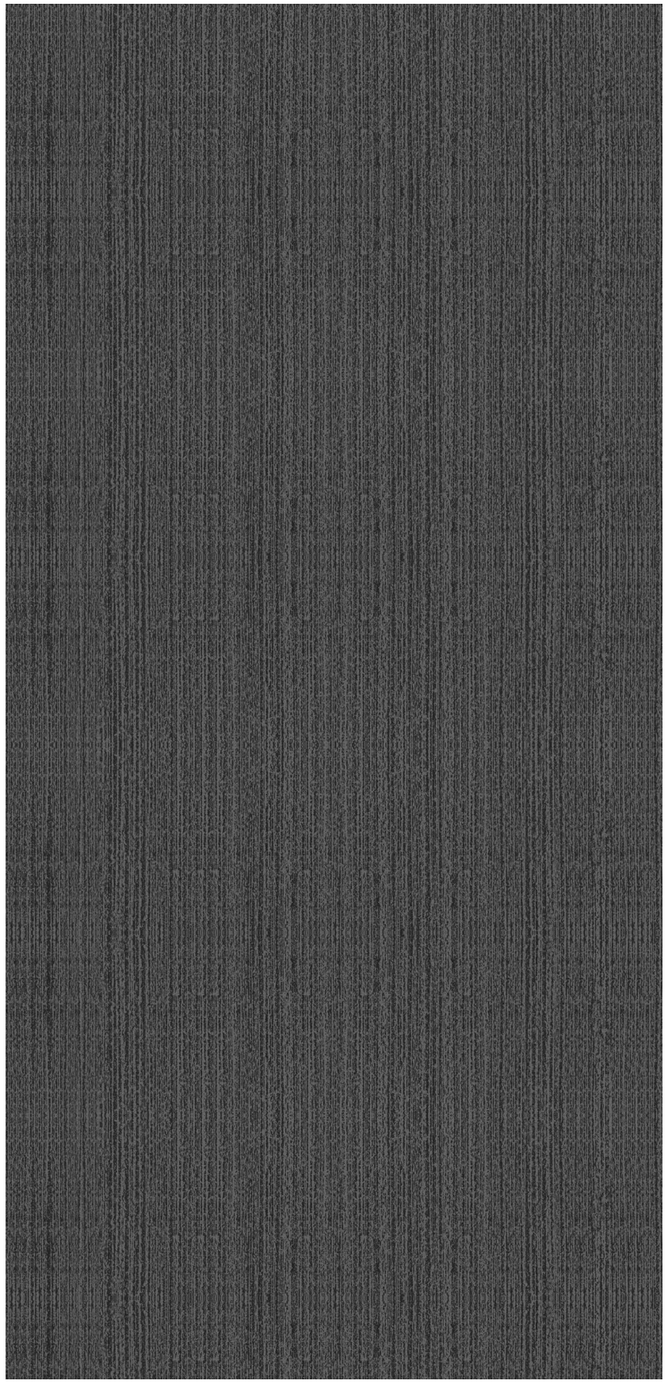

Finishing: Matt
Color: Nero - Grey
Code: M7125 - M7124
Thickness: 9mm
Surface: 4 Face

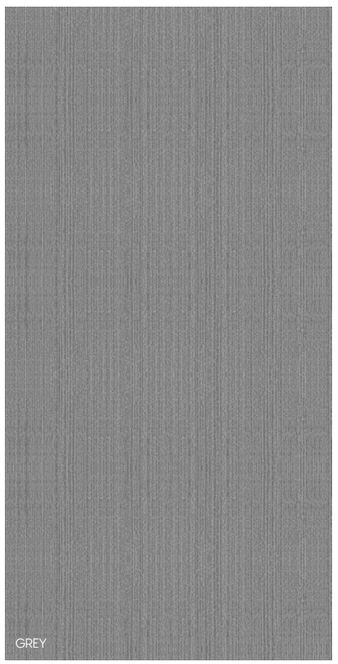

A bold interpretation of natural stone, Pietra Nero-Grey features deep charcoal tones and dramatic mineral veining, creating a sophisticated and powerful statement in modern interiors.

STRIA

120 X 270 CM

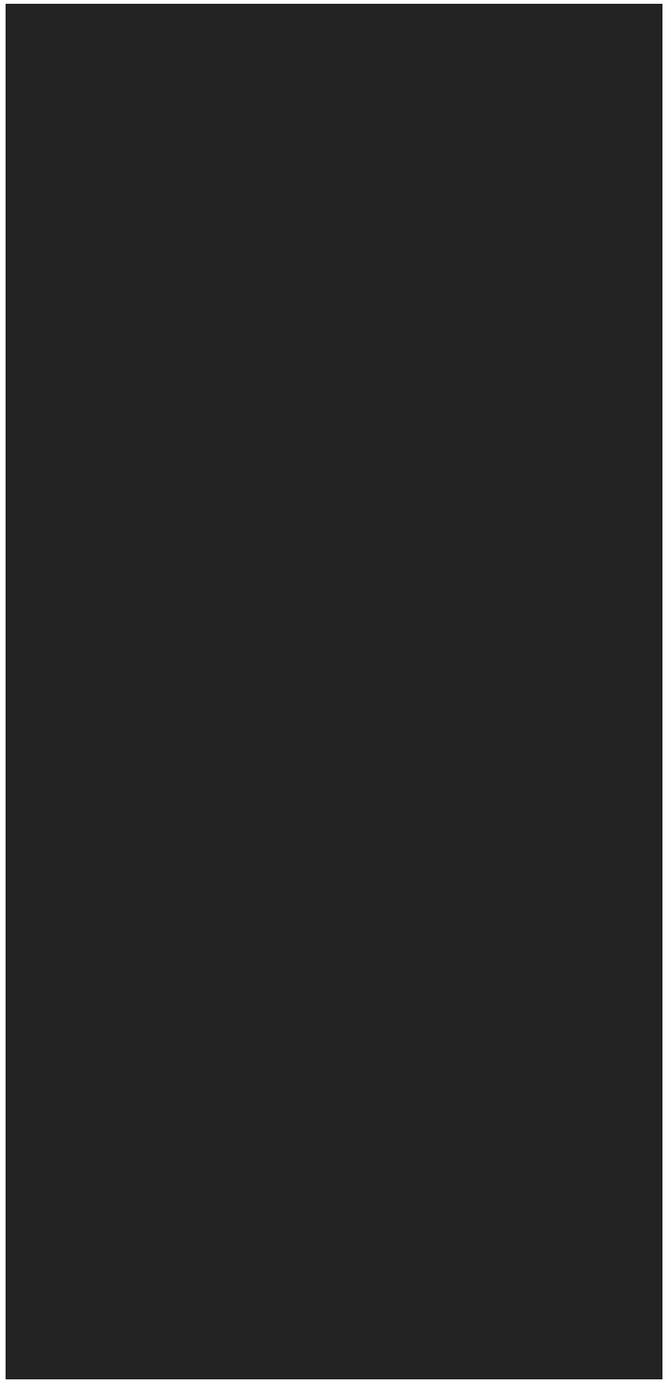

Finishing: Matt
Color: Nero - Grey
Code: E7301 - E7302
Thickness: 9mm
Surface: 1 Face

A modern and sophisticated ceramic featuring delicate veining and a refined texture, adding depth and elegance to any space.

MONO NERO

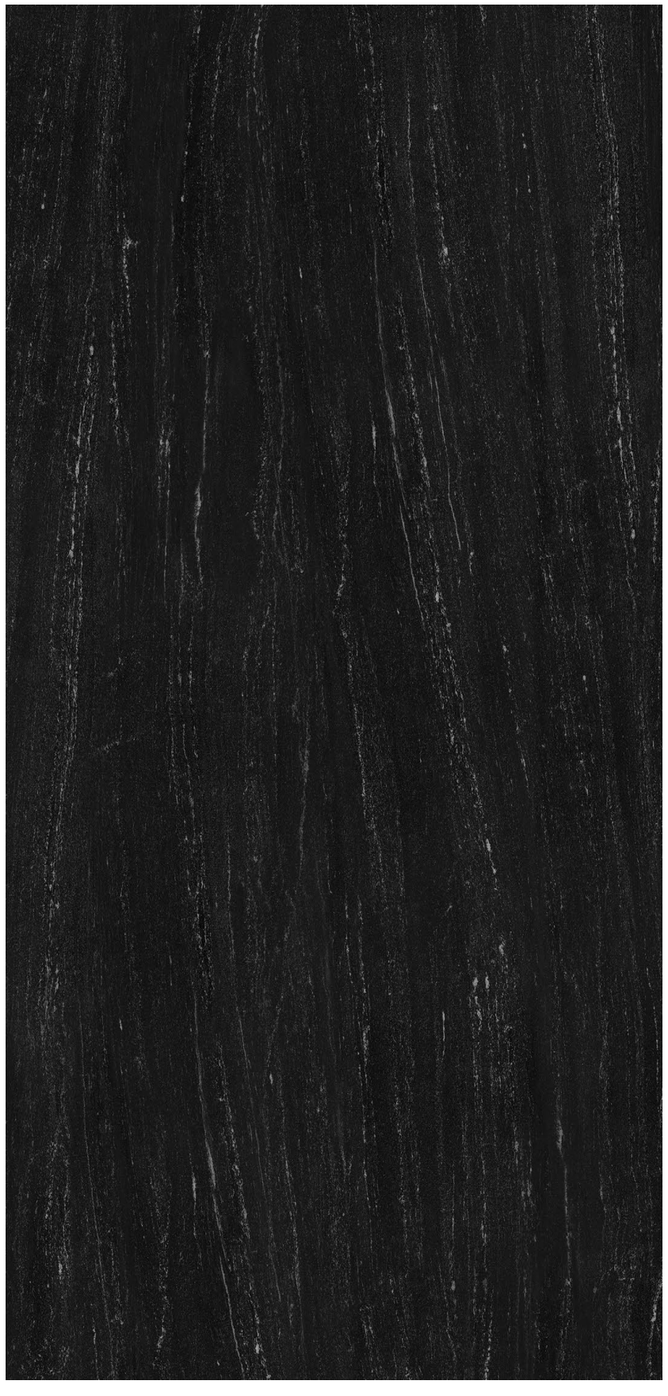

120 X 270 CM

Finishing: Matt
Color: Nero
Code: M7115
Thickness: 9mm
Surface: 1 Face

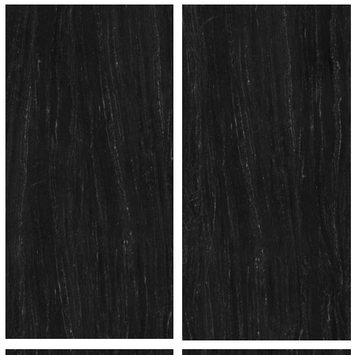

Minimalist black monochromatic ceramic brings boldness to any space.

LAVICA

120 X 270 CM

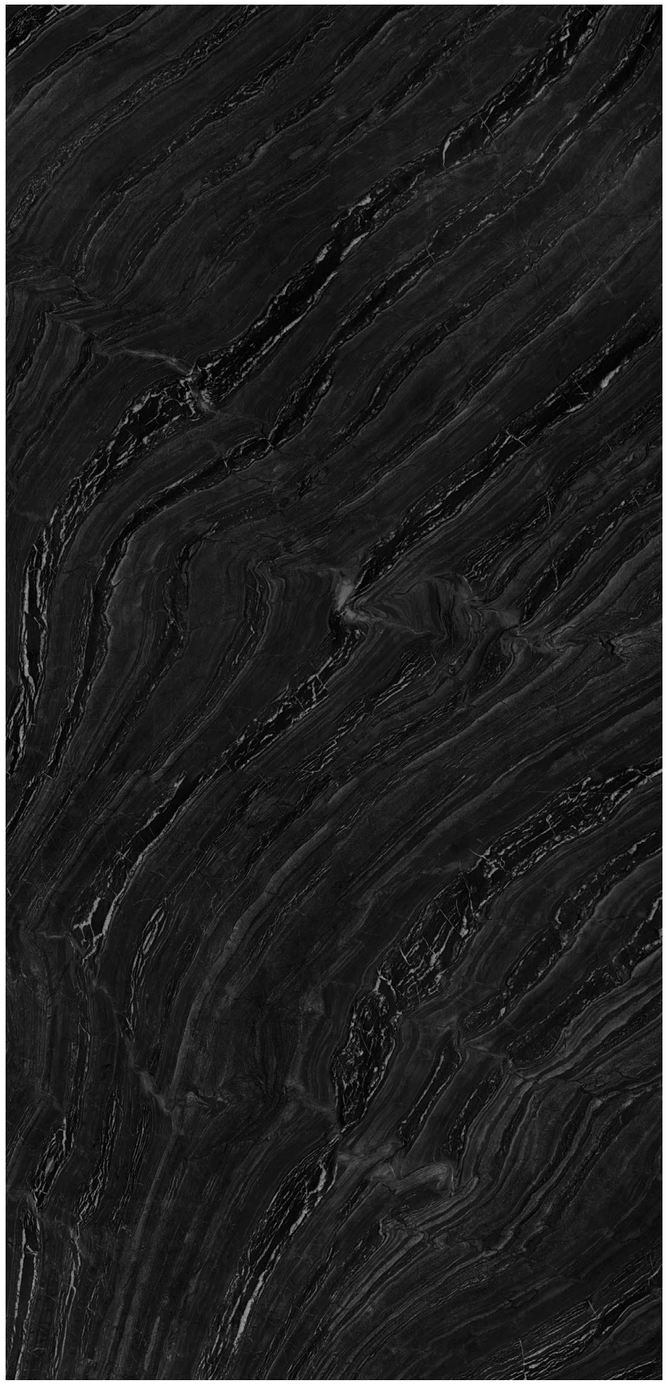

Finishing: Polished
Color: Black
Code: P7203
Thickness: 9mm
Surface: 4 Face

A marble ceramic with gentle, misty veins, evoking subtle elegance and timeless serenity.

MEZONATE

120 X 270 CM

Finishing: Polished - Matt
Color: Black
Code: P7201- M7108
Thickness: 9mm
Surface: 4 Face

A black marble-inspired ceramic with striking white veins, exuding luxury and timeless elegance.

BELVEDERE

120 X 270 CM

Finishing: Polished
Color: Black & Gold
Code: P7208
Thickness: 9mm
Surface: 4 Face

Belvedere ceramic features a black background with white and golden veins, creating a luxurious and striking look. With its strong color contrast, it's an excellent choice for modern and elegant spaces.

NOVARA

120 X 270 CM

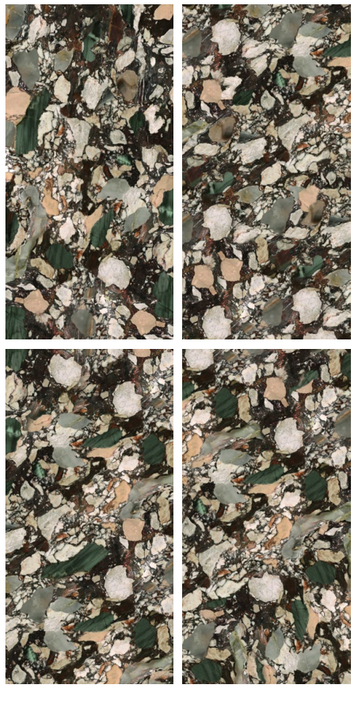

Finishing: Matt

Color: -

Code: M7103

Thickness: 9mm

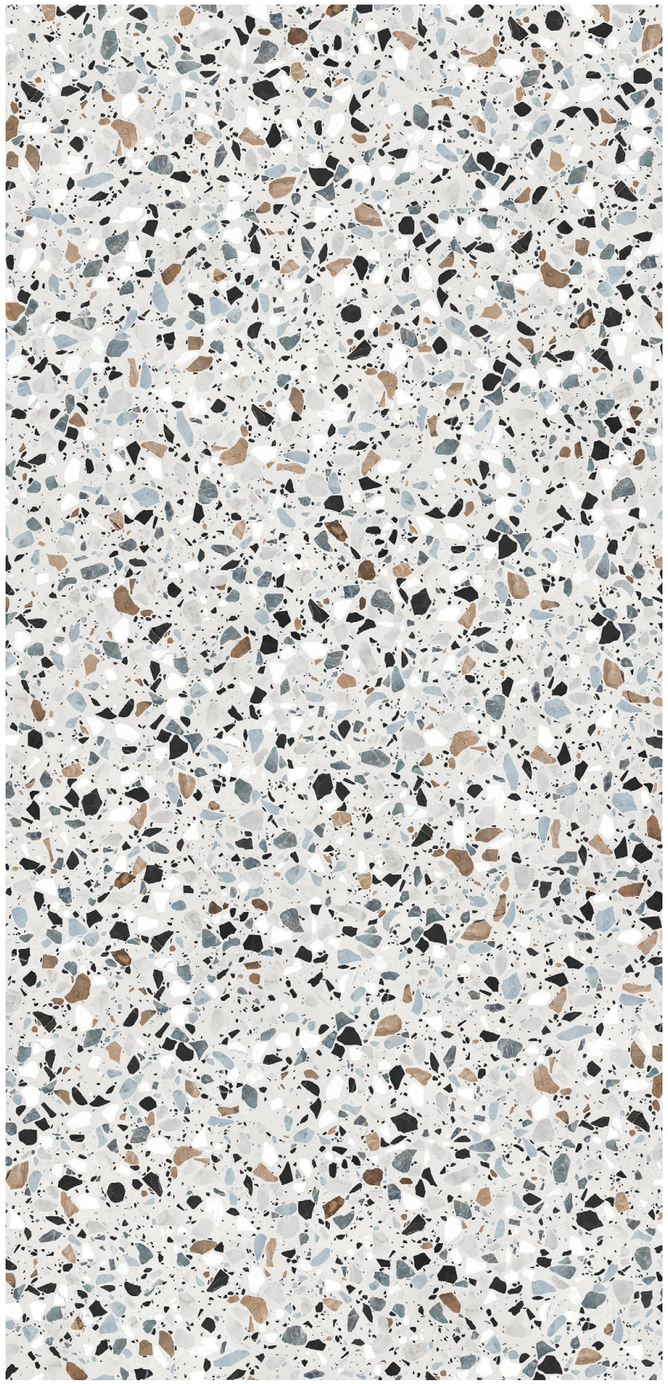

Surface: 4 Face

Textured with earthy shades and deep greens, this ceramic brings elegance and nature together.

TERRAZZO

120 X 270 CM

Finishing: Matt

Color: -

Code: M7120

Thickness: 9mm

Surface: 1 Face

A terrazzo ceramic with a contemporary design, blending subtle textures for a stylish and sophisticated look.

VALENTINO

120 X 270 CM

Finishing: Matt

Color: -

Code: M7104

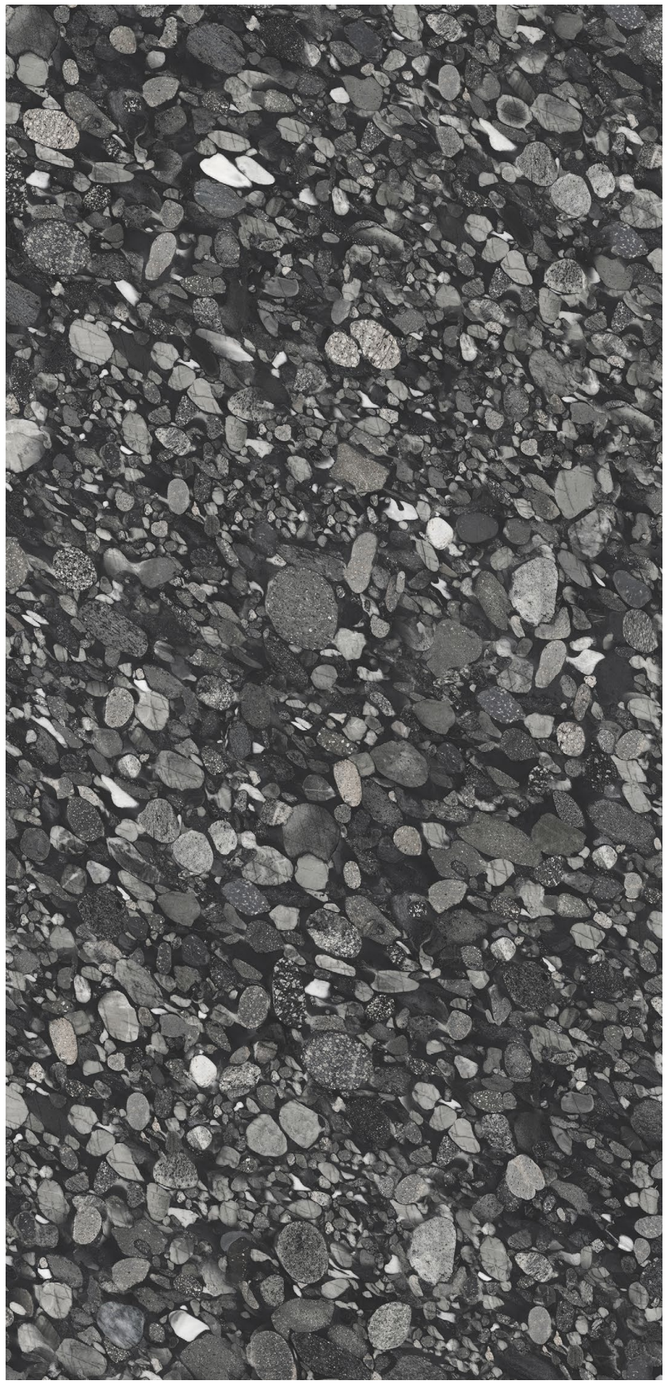

Thickness: 9mm

Surface: 1 Face

Valentino ceramics create a modern and stylish look with their gray tones and white grains.

RIVER STONE

120 X 270 CM

Finishing: Matt
Color: Grey
Code: M7102
Thickness: 9mm
Surface: 3 Face

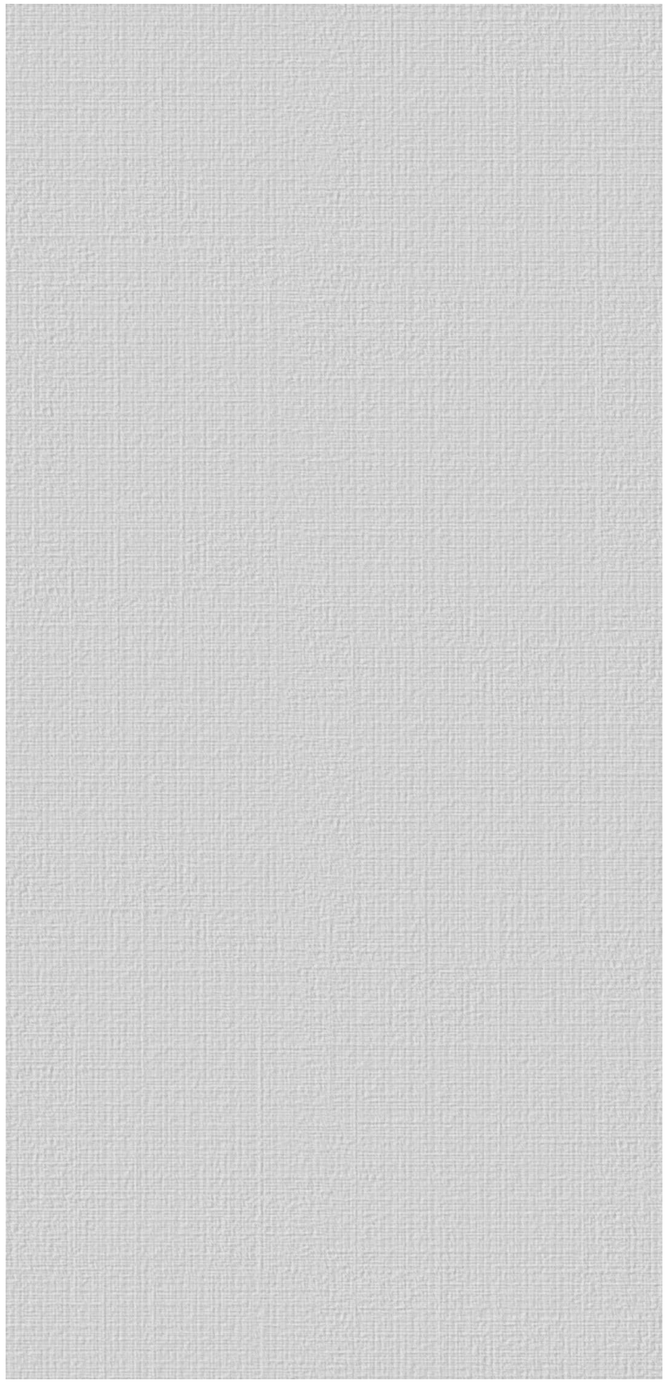

A bold ceramic inspired by riverside pebbles, offering a dynamic combination of black, gray and white, ideal for creating a modern and distinctive floor surface.

SCABRO

120 X 270 CM

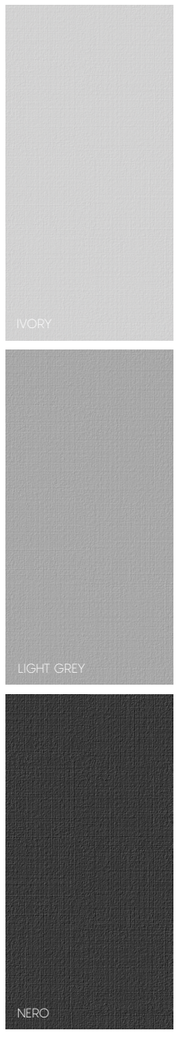

Finishing: Punch - Matt

Color: vory- Cream-Light-Grey-Nero-Mocha

Code: R7401-R7402-R7403-R7403-R7404-R7405-R7406

Thickness: 9mm

Surface: 1 Face

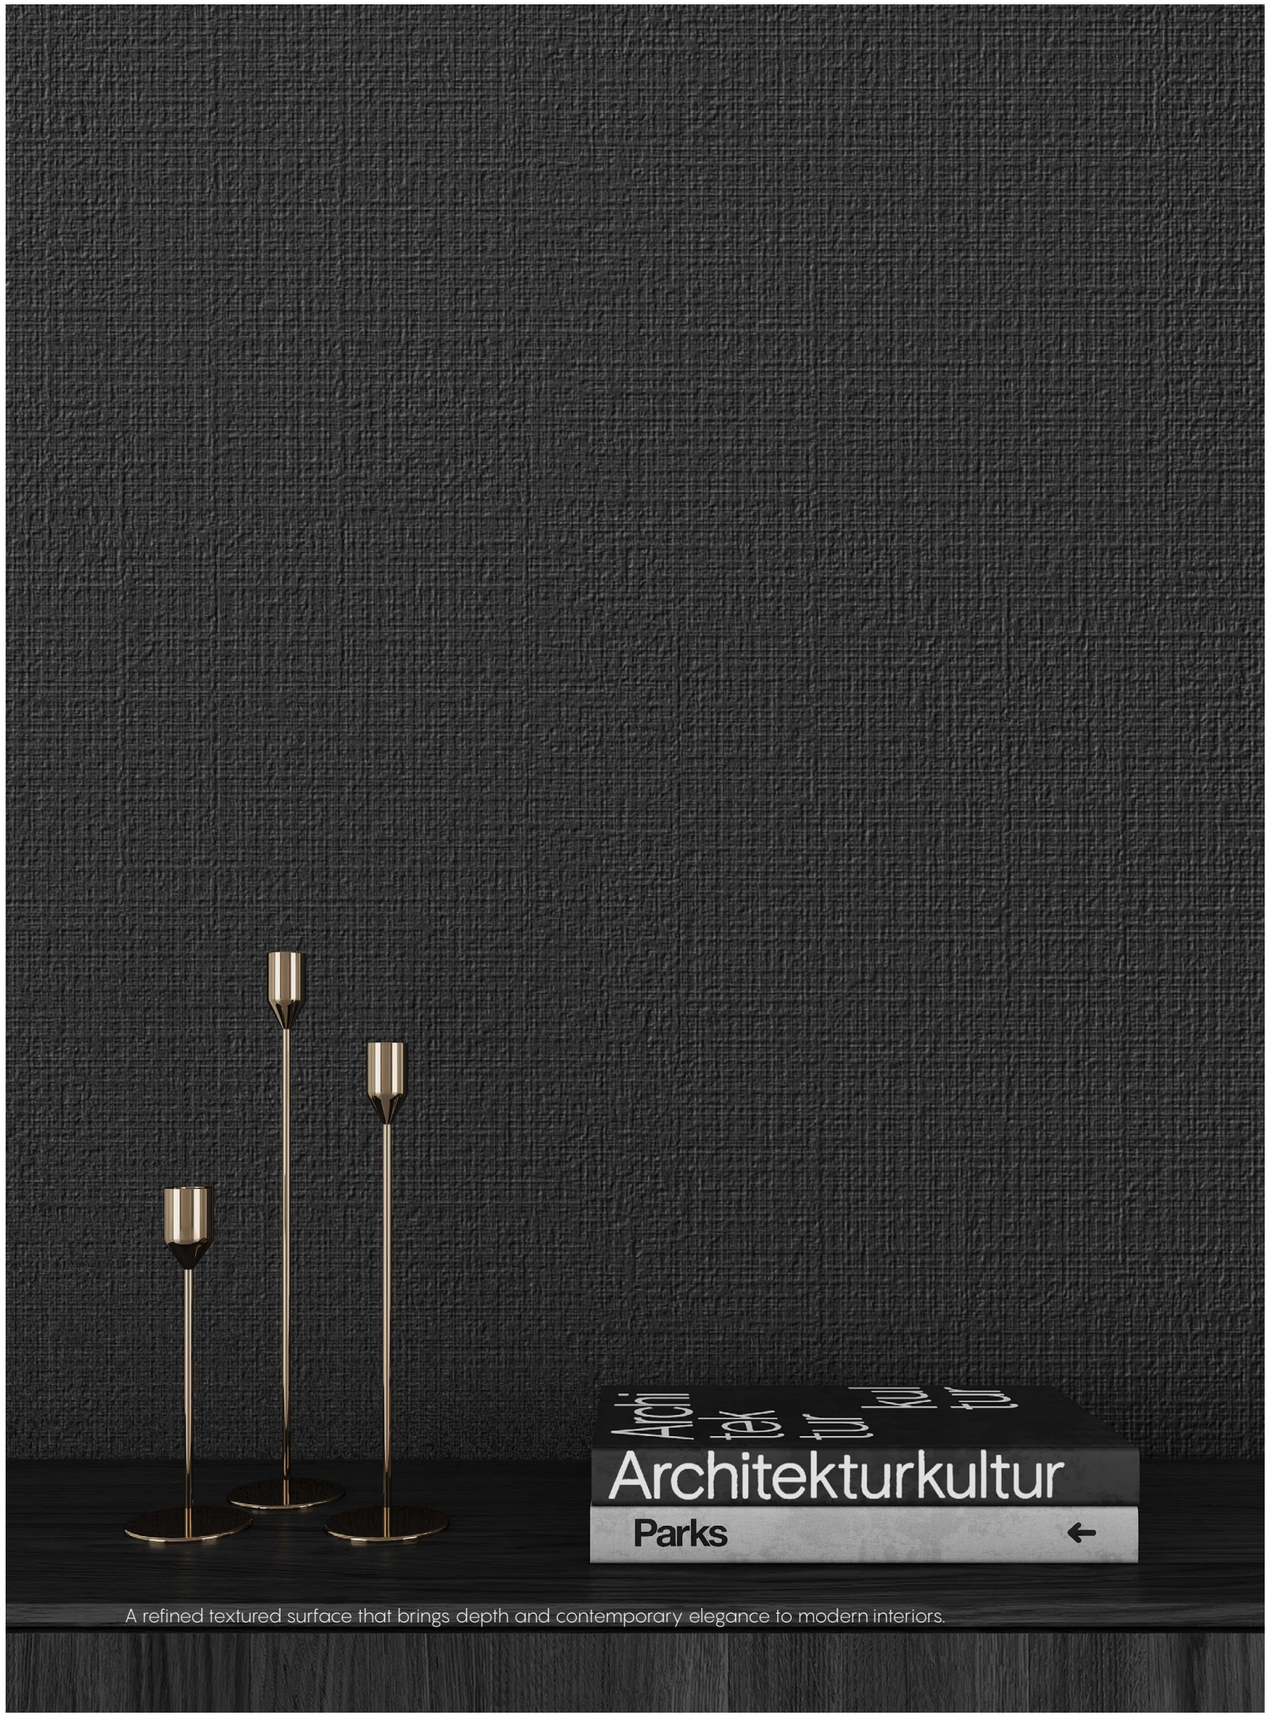

A refined textured surface that brings depth and contemporary elegance to modern interiors.

106 | 120 x 270 cm

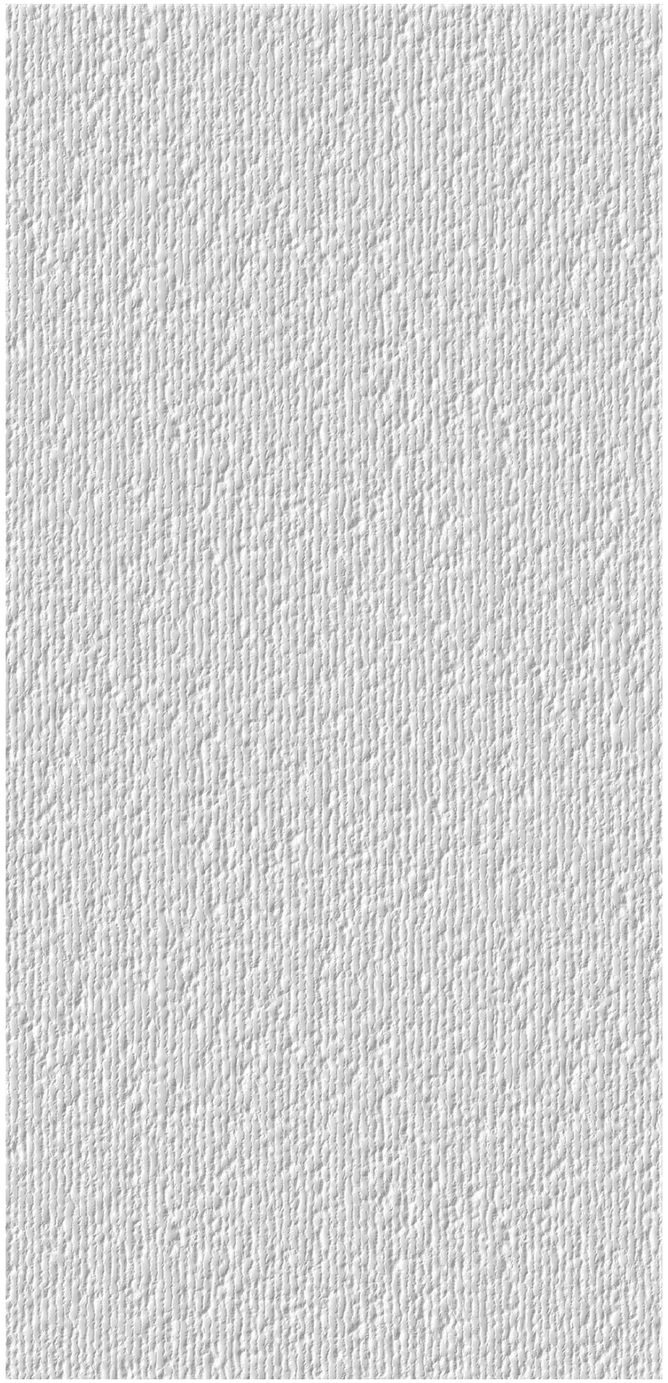

120 x 300 COLLECTION

The 120×300 cm ceramic tile is one of the most exceptional choices for modern and luxurious designs, creating a spacious and striking environment. These ultra-large tiles are particularly ideal for high walls and expansive halls, offering a seamless, natural stone-like appearance. Their smooth, grout-free surface brings a sense of harmony and grandeur to any space. In addition to their stunning beauty, the high durability and easy maintenance of these tiles make them a smart choice for luxury and contemporary projects.

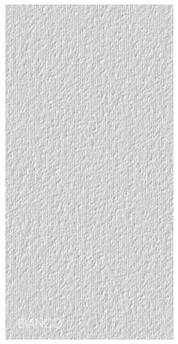

La piastrella in ceramica da 120×300 cm è una delle scelte più straordinarie per design moderni e di lusso, creando un ambiente ampio e suggestivo. Queste piastrelle di dimensioni ultra-grandi sono particolarmente ideali per pareti alte e sale spaziose, offrendo un aspetto uniforme simile alla pietra naturale. La loro superficie liscia e senza fughe conferisce armonia e imponenza a qualsiasi spazio. Oltre alla bellezza straordinaria, l'elevata durata e la facile manutenzione rendono queste piastrelle una scelta intelligente per progetti di lusso e contemporanei.

LIZZANO

120 X 300 CM

Finishing: Punch - Matt
Color: Bianco- Nero- Grey- Metallico
Code: R9001-R9002-R9003-R9004
Thickness: 9mm
Surface: 1 Face

A textured ceramic with embossed and recessed patterns, creating a bold and artistic surface.

112 | 120 x 300 cm

Bold and distinctive, this metallic slab combines a deep, sophisticated tone with a refined punched texture, creating a dynamic interplay of light and surface. Its sculptural character adds depth and contemporary elegance, making it a striking choice for statement walls and sophisticated interior spaces.

160 x 320 COLLECTION

The 160×320 cm ceramic tile is one of the largest and most distinctive sizes among slab ceramics, creating an exceptionally modern and luxurious space. These massive tiles are ideal for very high walls and expansive halls, offering a natural stone-like appearance with minimal grout lines. Their seamless and glossy surface enhances the sense of space and harmony in any environment. In addition to their extraordinary beauty, high durability and easy maintenance are key features of these tiles.

La piastrella in ceramica da 160×320 cm è una delle dimensioni più grandi e distintive tra le lastre in ceramica, creando uno spazio estremamente moderno e lussuoso. Queste piastrelle imponenti sono ideali per pareti molto alte e sale ampie, offrendo un aspetto simile alla pietra naturale con un numero minimo di fughe. La loro superficie liscia e uniforme aumenta la percezione di spazio e armonia in qualsiasi ambiente. Oltre alla straordinaria bellezza, l'elevata durata e la facilità di manutenzione sono caratteristiche fondamentali di queste piastrelle.

SELVARO

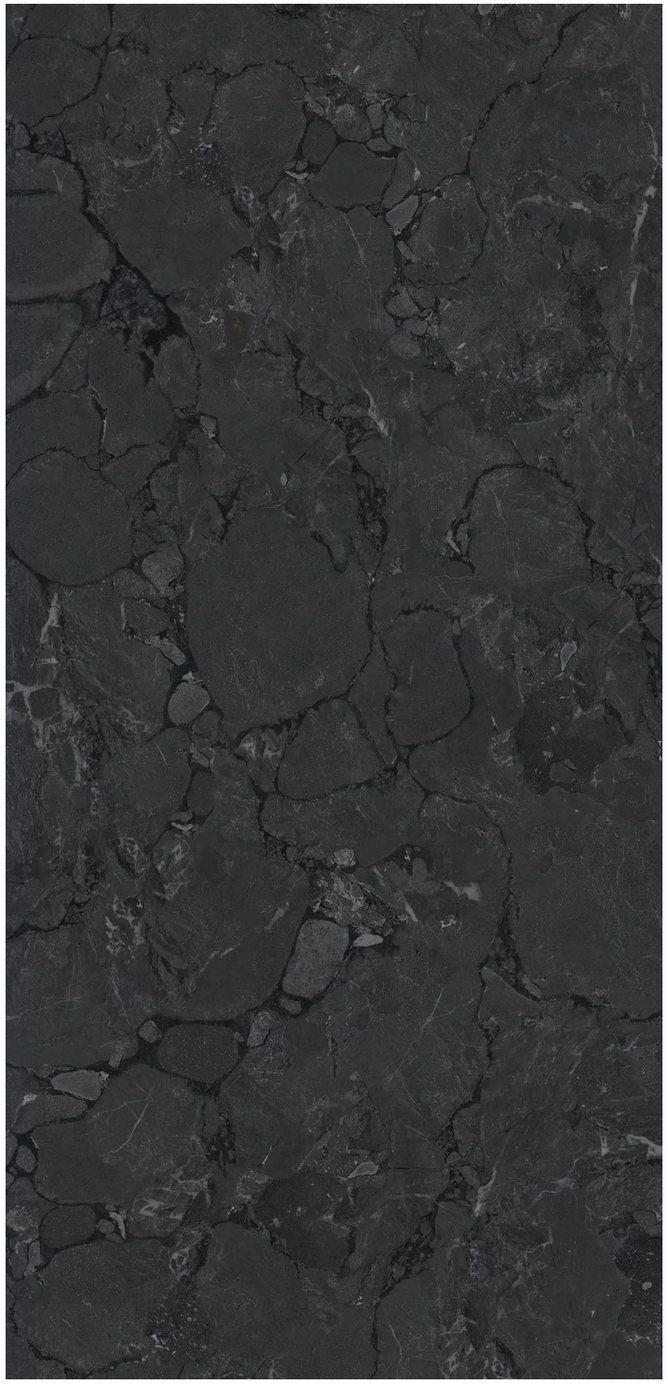

160 X 320 CM

Finishing: Matt
Color: Black
Code: M5011
Thickness: 12mm
Surface: 1 Face

An expansive matte-black slab with a crisp, non-reflective surface. The grand format amplifies the colour's absolute depth, creating a serene, light-absorbing plane where monumental scale and stark tonal purity converge in perfect visual balance.

NEGRESCO

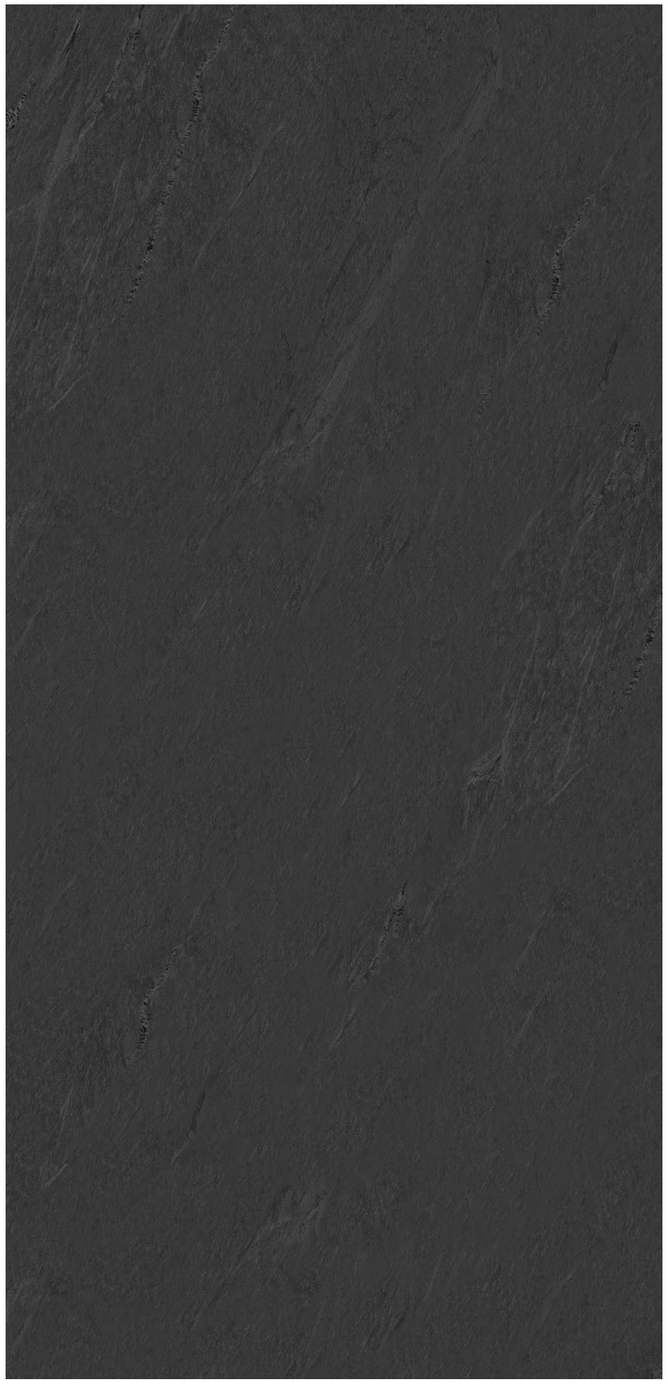

160 X 320 CM

Finishing: Matt
Color: Black
Code: M5013
Thickness: 12mm
Surface: 1 Face

A countertop slab defined by its intense, absorbing matte black surface. The expansive format ensures a seamless, uniform visual field, where the deep, velvety tone speaks solely through its quiet, powerful presence.

ROCCIA

160 X 320 CM

Finishing: Matt
Color: Dark Grey
Code: M5014
Thickness: 12mm
Surface: 1 Face

Roccia : Raw elegance. Its deep, charcoal tones and rugged stone-like texture bring the authentic beauty of nature into any interior.

LAVICA

160 X 320 CM

Finishing: Matt
Color: Black
Code: M5010
Thickness: 12mm
Surface: 1 Face

Lavica is a stone taken from the galaxy. This stone with fine white grains on a solid black background has well combined contrast and beauty and can be used in kitchen counters, service and dining tables in modern designs.

CAPRI

160 X 320 CM

Finishing: Matt
Color: White
Code: M5012
Thickness: 12mm
Surface: 1 Face

Inspired by the natural elegance of marble, Capri features a crisp white base with flowing linear veining and subtle tonal movement. Its refined pattern brings a sense of depth and sophistication, creating a timeless surface for contemporary and luxurious interiors.

LASA

160 X 320 CM

Finishing: Matt
Color: White & Grey
Code: M5050
Thickness: 12mm
Surface: 1 Face

Lasa is a uniform, compact, crystalline, fine-grained natural stone with a clear white background color with a light shade marble extract quarried in the northern part of Italy.

PRODUCTION

TECHNOLOGY
Angelo Ceramica tries to stay constantly updated on the best production techniques to create the designs and configurations necessary to express the taste of ceramics. Quality and innovation represent for Angelo ceramica an essential prerogative on which to base the choice of ceramic product in its design declinations. Therefore, we always try to be as up-to-date as possible on the best production techniques that allow us to achieve aesthetic and qualitative results in the best standards. Our technologies identify different types of applications:

GLAZED PORCELAIN
The resistance guaranteed by Gres porcelain link to the aestethic possibilities allowed by the new graphic and glazed application, put our product in the condition to perfrom at its best different styles to reproduce any kind of design in order to be updated and propositive with any trend.

DGITAL TECHNOLOGY
Angelo Ceramica makes use of the best digital technologies on the market to always reach the highest aesthetic / quality levels in the ceramic field. The digitalization combined with the continuous research allows Angelo Ceramics a lot of accuracy in the search for the final face of the design and the best possible depth especially in the case of polished versions through the use of grits that allow greater depth and better detail as well as better quality performance.

PRODUZIONE

TECNOLOGIE
Angelo Ceramica cerca di rimanere costantemente aggiornata sulle tecniche produttive migliori per realizzare i design e le configurazioni necessarie ad esprimere il gusto della ceramica. La qualita' e l'innovazione rappresentano per Angelo ceramica una prerogativa imprescindibile sulla quale basare la scelta del prodotto ceramico nelle sue declinazioni design. Cerchiamo quindi sempre di essere quanto piu' aggiornati possibile sulle tecniche produttive migliori che permettano di raggiungere risultati estetici e qualitativi nei migliori standard. Le nostre tecnologie individuano diversi tipi di applicazioni:

PORCELLANATO SMALTATO
La resistenza garantita dal porcellanato unita alle possibilita' estetiche consentite dalle nuove applicazioni grafiche e di smaltatura, ci permettono di interpretare al meglio i diversi stili da riprodurre per design di ogni tipo in modo da essere propositivi e al passo con ogni trend.

TECNOLOGIA DIGITALE
Angelo Ceramica fa uso delle migliori tecnologie digitali in commercio per poter raggiungere sempre i piu' alti livelli estetico/qualitativi in ambito ceramico. La digitalizzazione unita alla ricerca continua permette ad Angelo ceramica molta accuratezza nella ricerca del volto finale del design e la migliore profondita' possibile soprattutto nel caso di versioni levigate attraverso l'utilizzo di graniglie che permettono maggiore profondita' e miglior dettaglio nonche' migliore resa qualitativa.
